Project Title: Upper and Lower San Luis Rey Water Reclamation Facility Recycled Water Conveyance System

Project Location: City of Oceanside San Diego County  
*City* *County*

Explain "exceptional circumstances" (CEQA, Section 15205(d)) for requesting a shortened review. Identify which of the 5 criteria in Appendix K are met for this project.

To support their environmental review process for the Clean Water State Revolving Fund Program, the State Water Resources Control Board has requested that City of Oceanside submit this Addendum #3 to the North San Diego Water Reuse Coalition Regional Recycled Water Program EIR to the State Clearinghouse for a 15-day review period.

List responsible and trustee state agencies with contact person, phone number and date of consent for the shortened review, as well as any agencies that have commented on the project (attach additional pages, if necessary):

State Water Resources Control Board, Ahman Kaskoli, commented on Draft Program EIR in April 2015

As designated representative for the lead agency, I verify, in their behalf, that there is no "statewide, regional, or areawide significance" to this project.

Length of review being requested: 15 days
