Project Title: Meadowlark WRF CCT Expansion Project (part of Regional Recycled Water Project)

Project Applicant: Vallecitos Water District

Project Location (include county): 7941 Corintia Street, Carlsbad, San Diego County

Project Description:

The proposed project involves expansion of chlorine contact tanks (CCTs) at the Meadowlark Water Reclamation Facility (MWRf) to achieve a capacity of 6.5 million gallons per day (peak dry weather flow) to continue maintaining compliance with the requirements of California Code of Regulations Title 22. The project would not require additional employees at the MWRf for plant operations and would not include any new noise-generating equipment.

This is to advise that the Vallecitos Water District has approved the above (Lead Agency or Responsible Agency)

described project on 2/7/2024 and has made the following determinations regarding the above described project.

- 1. The project will have a significant effect on the environment.
