SUBJECT: Filing of Notice of Determination in compliance with Section 21108 or 21152 of the Public Resources Code.

State Clearinghouse Number (if submitted to State Clearinghouse): 2017081007

Project Title: Addendum to the 21st Street Ditch Project Mitigated Negative Declaration

Project Applicant: City of Del Mar

Project Location (include county): 201 21st Street; City of Del Mar; County of San Diego

Project Description:
The 0.22-acre project site includes a 203-foot segment of an unnamed, unlined drainage feature, approximately 5 feet in diameter. Water flows from west to east through the feature; flows are intermittent/perennial and typically derived from urban run-off and storm events. The previously adopted Mitigated Negative Declaration (MND) analyzed installation of a 36-inch storm-drain (connecting two existing culvert outlets) and fill material. The Addendum to the MND analyzes an amended Project which would not include a storm-drain or fill, rather the feature would be re-contoured and habitat restored, ultimately resulting in less impacts than the previous MND.

This is to advise that the City of Del Mar has approved the above (x) Lead Agency or Responsible Agency

described project on June 3, 2019 and has made the following determinations regarding the above described project.

- 1. The project [] will [x] will not have a significant effect on the environment.
2. [] An Environmental Impact Report was prepared for this project pursuant to the provisions of CEQA. [x] A Negative Declaration was prepared for this project pursuant to the provisions of CEQA.
3. Mitigation measures [x] were [] were not made a condition of the approval of the project.
4. A mitigation reporting or monitoring plan [x] was [] was not adopted for this project.
5. A statement of Overriding Considerations [] was [x] was not adopted for this project.
6. Findings [x] were [] were not made pursuant to the provisions of CEQA.

This is to certify that the final EIR with comments and responses and record of project approval, or the negative Declaration, is available to the General Public at:

Project Title: 21st Street Ditch Project

Project Applicant: City of Del Mar

Project Location (include county): County of San Diego, City of Del Mar, 21st Street

Project Description:

The 0.22-acre project site includes a 203-foot segment of an unnamed, unlined drainage ditch that is approximately 5 ft in diameter. Water flows from west to east through the ditch; flows are intermittent/perennial and are typically from urban runoff and storm events. The project would permanently place a 36-in solid storm drain pipe (connecting at both existing culvert outlets) and fill materials within the 203-ft portion of the unnamed drainage feature. The project would also involve rehabilitation grading of the existing drainage channel to approximately match the existing surface elevations of the street. The purpose of the project is to improve floodwater conveyance, maintain flow rate efficiency,

This is to advise that the City of Del Mar has approved the above
(Lead Agency or Responsible Agency)

described project on October 16, 2017 and has made the following determinations regarding the above
(date)
described project.

1. The project [will will not] have a significant effect on the environment.
2. An Environmental Impact Report was prepared for this project pursuant to the provisions of CEQA.
 A Negative Declaration was prepared for this project pursuant to the provisions of CEQA.
3. Mitigation measures [were were not] made a condition of the approval of the project.
4. A mitigation reporting or monitoring plan [was was not] adopted for this project.
5. A statement of Overriding Considerations [was was not] adopted for this project.
6. Findings [were were not] made pursuant to the provisions of CEQA.

This is to certify that the final EIR with comments and responses and record of project approval, or the negative Declaration, is available to the General Public at:
