Dear Ms. Kryuchkova,

**SUBJECT: CEQA ENVIRONMENTAL DOCUMENT FILING FEE PAYMENT**

Completion of the California Environmental Quality Act (CEQA) review process for an Environmental Impact Report requires filing of a fee with the California Department of Fish and Wildlife.

On April 15, 2021, the Central Coast Regional Water Quality Board (Central Coast Water Board) adopted Resolution No. R3-2021-0039, which certified the Environmental Impact Report for the General Waste Discharge Requirements for Discharges from Irrigated Lands in the Central Coast Region. Consequently, we are required to pay an Environmental Filing Fee to the California Department of Fish and Wildlife.

**We are transmitting a check to you for \$3,445.25 which is the 2021 fee for an Environmental Impact Report.** Please sign the disbursement voucher (please enclose two copies) submitted with the check and return those to the State Water Resources Control Board, PO Box 100, Sacramento, CA 95812-0100.

**Also, please send a receipt for the payment of this filing fee to:**
