

NOTICE OF DETERMINATION

TO:

Governor's Office of Land Use and Climate
Innovation, State Clearinghouse
1400 Tenth Street, Room 113
Sacramento, CA 95812

FROM:

State Water Resources Control Board
Division of Financial Assistance
1001 I Street 16th Floor
Sacramento, CA 95814

STATE CLEARINGHOUSE NUMBER: 2008012105

PROJECT NUMBER: 8651-110

DOCUMENT TITLE: Treasure Island and Yerba Buena Island Redevelopment Plan (Project)

PROJECT LOCATION: The Project is located on the east side of Avenue M, between 10th Street and 13th Street, at 1220 Avenue M, San Francisco, CA 94130.

PROJECT DESCRIPTION: The State Water Resources Control Board (State Water Board) is a Responsible Agency for the Project. The State Water Board is funding the Project referred to internally as New Treasure Island Wastewater Treatment Plant. A new wastewater treatment plant would be constructed at the intersection of Avenue M and 10th Street, adjacent to the existing plant, to provide wastewater treatment and recycled water treatment for the existing and new development. The secondary treatment process would use a membrane bioreactor to remove biochemical oxygen demand and suspended solids. Disinfected secondary-treated effluent would pass through wastewater wetlands to further reduce pollutants, and then be discharged via the existing adjacent stormwater outfall pipe to the San Francisco Bay.

PUBLIC AGENCY APPROVING PROJECT AND CARRYING OUT PROJECT: The State Water Board has considered the Environmental Impact Report, as prepared by the Lead Agency. The State Water Board has approved financing for the Project described above on February 14, 2025. The San Francisco Public Utilities Commission will be carrying out the Project. The State Water Board has made the following California Environmental Quality Act (CEQA) determinations regarding the Project:

1. The Project will have a significant effect on the environment. The Project will not have a significant effect on water quality impacts. This determination is limited to effects on water quality under the State Water Board's jurisdiction as a Responsible Agency.

2. An Environmental Impact Report was prepared and certified for the Project pursuant to the provisions of CEQA.
3. Mitigation measures were made a condition of approval of the Project.
4. A mitigation monitoring and reporting plan/program was adopted for the Project.
5. A Statement of Overriding Considerations was adopted for the Project.
6. Findings were made pursuant to CEQA Guidelines section 15091.

LEAD AGENCY: San Francisco Public Utilities Commission

LEAD AGENCY CONTACT PERSON: Karen Frye

PHONE NUMBER: (415) 554-1652

Records of the financing approval and an analysis of environmental alternatives for the Project are available to the general public upon request at the State Water Board, Division of Financial Assistance at 1001 I Street, 16th Floor, Sacramento, CA 95814. The Environmental Impact Report is available from the Lead Agency.
