Subject: *Filing of Notice of Determination in compliance with Section 21108 or 21152 of the Public Resource Code.*

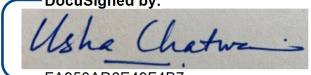

<b>Contact Person:</b> Nick Mascarello	<b>Telephone No.:</b> (408) 630-3147	<b>State Clearinghouse No.:</b> 2001052121
<b>Project Title:</b> Google Caribbean Campus		
<b>Project Location:</b> 100 & 200 West Caribbean Drive, Sunnyvale, Santa Clara County, CA		
<p><b>Project Description:</b> The project would demolish 13 existing structures and redevelop the project site with two five-story buildings totaling approximately 1,041,890 square feet. The buildings would share a four-story parking garage, surface parking lots (2,092 parking spaces), and other project amenities. The project includes flood protection improvements along approximately 1,000 feet of the Santa Clara Valley Water District's (Valley Water) West Channel consistent with the Sunnyvale East and West Channels Flood Protection Project.</p> <p>Valley Water would take discretionary action to issue encroachment permits for certain activities associated with the proposed project, including tree removal and construction of a temporary construction bridge, that would occur within its right of way adjacent to the Sunnyvale West Channel.</p>		

This is to advise that Valley Water, acting as a Responsible Agency, has considered the Final Transportation Environmental Impact Report as prepared by the Lead Agency, the City of Sunnyvale, and has approved the above described project on August 10, 2021. Valley Water has made the following determinations regarding the above described project:

1. The project  will,  will not, have a significant effect on the environment.
2.  An Environmental Impact Report was prepared for this project pursuant to the provisions of CEQA.  
 A Mitigated Negative Declaration was prepared for this project pursuant to the provisions of CEQA.
3. Mitigation measures  were,  were not made a condition of the approval of the project.
4. A Statement of Overriding Considerations  was,  was not adopted for this project.
5. Findings  were,  were not made pursuant to the provision of CEQA.

This is to certify that the Final Transportation Environmental Impact Report with comments and responses and record of project approval is available to the General Public at:
