Project Title: Opportunities Study Area Site #3 (IRWD)- Soria Model Home Complex- Site Development Permit 08-19-5301		
Applicant Information:	Lennar Homes of California, Inc. Attn: Jaren Nuzman 15131 Alton Parkway, Suite 365 Irvine, CA 92618	
State Clearinghouse Number (If submitted to SCH): 201231071 2012031071	Lead Agency Contact Person: Jennifer Mansur, AICP, Associate Planner	Telephone Number: (949) 461-3472
Specific Project Location – Current southern terminus of Serrano Summit Drive and Civic Center Drive, west of Serrano Creek, north of Marin and Wisteria Lane, City of Lake Forest		
General Project Location (City and/or County): Lake Forest, CA		
Project Description:		
<p>This project is a request to establish a temporary model home complex for the Soria Neighborhood in the Serrano Summit Residential Community consisting of three model homes with a sales office, a temporary parking lot, and related site improvements.</p> <p>The Serrano Summit project was originally part of the City of Lake Forest Opportunities Study, which resulted in an amendment to the City's General Plan and the rezoning of five properties to allow for residential development. The Opportunities Study was evaluated under a Program Environmental Impact Report (SCH# 2004071039) which was certified by the City of Lake Forest City Council in June 2008. A subsequent project specific Environmental Impact Report (SCH# 2011501009) was prepared for the Serrano Summit project (Tract 17331) and the Serrano Summit Area Plan (Area Plan 2009-01), and certified by the Lake Forest City Council in February 2012. The Serrano Summit-Civic Center Addendum to the project specific Environmental Impact Report was certified by the Lake Forest City Council in November 2016. The Serrano Summit-Civic Center Addendum was not challenged and thus is presumed valid in accordance with Public Resources Code section 21167.2. Site Development Permit 08-19-5301 is consistent with scope of the approved Area Plan and Tentative Tract Map 17331. Therefore, the adopted EIR and Serrano Summit-Civic Center Addendum serve as the environmental documentation for the project in compliance with the requirements of CEQA.</p>		

This is to advise that the (Lead Agency or Responsible Agency) approved the above described project on: September 6, 2019 and made the following determinations:

1.	<input type="checkbox"/>	The project will have a significant effect on the environment.		
	<input checked="" type="checkbox"/>	The project will NOT have a significant effect on the environment beyond those impacts previously identified in connection with the certified Final Supplemental Environmental Impact Report.		
2.	<input checked="" type="checkbox"/>	A previously certified Environmental Impact Report was prepared and covers this project pursuant to the provisions of CEQA and reflects the independent judgment of the Lead Agency.		
	<input type="checkbox"/>	A Negative Declaration was prepared for this project pursuant to the provisions of CEQA and reflects the independent judgment of the Lead Agency.		
	<input type="checkbox"/>	A Mitigated Negative Declaration was prepared for this project pursuant to the provisions of CEQA and reflects the independent judgment of the Lead Agency.		
3.	<input checked="" type="checkbox"/>	Previously imposed mitigation measures were made a condition of the approval of the project.		
	<input type="checkbox"/>	Mitigation measures were NOT made a condition of the approval of the project.		
4.	<input type="checkbox"/>	A Mitigation Monitoring or Reporting Plan was adopted for this project.		
	<input checked="" type="checkbox"/>	A Mitigation Monitoring Program beyond that adopted in connection with the previously certified Environmental Impact Report was NOT adopted for this project.

Custodian: City of Lake Forest Community Development Department	Location: 25550 Commercentre Drive, Suite 100 Lake Forest, CA 92630			

Pursuant to 14 CCR § 753.5(e)(3):

Only one fee shall be paid per project unless the project is tiered or phased, or separate environmental documents are required (Fish and Game Code section 711.4(g)). Separate environmental documents include EIRs, negative declarations, subsequent EIRs and negative declarations, and supplements to EIRs. Only one fee is required when an existing certified EIR is used for multiple project approvals that would result in no additional effect to fish and wildlife. An additional filing fee is required if approval of any separate environmental document would result in an effect on fish and wildlife not previously addressed in a certified EIR, Master EIR, Program EIR, Staged EIR, or General Plan EIR.

Approval of Site Development Permit 08-19-5301 for the Soria Model Home Complex, which is located in the southerly portion of the Opportunities Study Site #3 – IRWD **would not** result in an effect on fish and wildlife not previously addressed by the Lake Forest Opportunities Study Program Environmental Impact Report ((SCH# 2004071039) or the Subsequent Project Specific Environmental Impact Report (SCH# 2011501009). Therefore, an additional Fish and Game Notice of Determination filing fee is not required (original fee paid June 4, 2008, see receipt attached hereto as "Attachment A").
