This is to advise that on July 28, 2020, the City of Perris City Council (Lead Agency) adopted the second reading of an Ordinance for Amended Development Agreement DA 20-05063, which was introduced for first reading when the project was first acted on by the City Council at its earlier meeting held on June 9, 2020. In connection therewith, the lead agency made the following determinations regarding the above described project:

1. An Environmental Impact Report was previously prepared and certified pursuant to the provisions of CEQA and this project is consistent with that certified EIR.
2. The project will not have a new significant effect on the environment not otherwise identified in previously-certified EIR SCH No.2008071060 because the amendment of conditions does not trigger changes to the certified EIR.
3. Mitigation measures were made a condition of the approval of the project.
4. A mitigation reporting or monitoring plan was adopted for this project.
5. A statement of Overriding Considerations was adopted for the certified EIR for this project.
6. Findings were made for the certified EIR pursuant to the provisions of CEQA.

The record of this project approval is available to the general public at the Office of the City Clerk, 101 North "D" Street, Perris, CA or www.cityofperris.org.
