Project Title: Soil Removal Modification to San Benito High School Measure U Project

Project Applicant: San Benito High School District

Project Location (include county): 1220 Monterey St., Hollister, San Benito County, CA

Project Description:

This Addendum addresses a Removal Action Workplan (RAW) that would remove 645 cubic yards of contaminated soils from the high school campus where former structures have been removed. The changes created by the RAW would not result in any new significant environmental impacts assessed in the 2018 Measure U project Initial Study/Negative Declaration; therefore, an Addendum to the 2018 Initial Study/Negative Declaration has been prepared.

This is to advise that the San Benito High School District has approved the above (Lead Agency or Responsible Agency)

described project on May 24, 2022 and has made the following determinations regarding the above described project.

- 1. The project will not have a significant effect on the environment.
2. An Environmental Impact Report was prepared for this project pursuant to the provisions of CEQA. A Negative Declaration was prepared for this project pursuant to the provisions of CEQA.
3. Mitigation measures were not made a condition of the approval of the project.
4. A mitigation reporting or monitoring plan was not adopted for this project.
5. A statement of Overriding Considerations was not adopted for this project.
6. Findings were made pursuant to the provisions of CEQA.

This is to certify that the final EIR with comments and responses and record of project approval, or the negative Declaration, is available to the General Public at:
