Project Description: The proposed Project includes the expansion of the existing 160-acre Woodville Disposal Site (or Woodville Landfill or landfill) by 240 acres; combined, the landfill would encompass an area of approximately 400 acres. It is anticipated that daily tonnage received, number of vehicles entering/exiting, landfill operations equipment, water usage, ancillary uses, etc., will not increase or decrease. The existing landfill is permitted to accept 1,078 tons per day and 489 vehicles per day; the Project is not seeking any changes to these permitted volumes. The entrance/exit to access/egress the site will remain on Road 152, but will be relocated farther north than its present location. The proposed Project is anticipated to maintain the current days of operation 7:00 a.m. – 4:00 p.m., Monday through Friday; and 8:00 a.m. – 4:00 p.m. on Saturdays (when the landfill is open to the public and closed to haulers).
