Dear David:

The attached map depicts the access points currently used for transportation of aggregate material off of Golden Queen Mining Company, LLC property to Silver Queen/Mojave-Tropico Road. These multiple access points allow for operational flexibility as mobile aggregate operations regularly reposition to adjust to mining operations. These routes include (**Figure 1**):

1. Main Access Road
2. Meyer Road
3. West Access Road (10618 Mojave-Tropico Road)

Should you have any questions, please call me at (661) 824-4330.

Sincerely,

Robert Walish
Chief Executive Officer
