To whom it may concern:

I am writing regarding the State Clearinghouse Number 2003112039 CEQA Addendum for the posting on December 7, 2023. This request is to change the title of that addendum and to change some of the project information of the addendum under the summary section.

Current Addendum Title: Suisun Marsh Habitat Management, Preservation and Restoration Plan (SMP) New Addendum Title: Chipps Island Tidal Habitat Restoration Project

I would also like to request you to change some of the summary information as well once the document is selected. Please change:

Title/Document Title: Suisun Marsh Habitat Management, Preservation and Restoration Plan (SMP) Document Description: The project is located in the Suisun Marsh. The Suisun Habitat management, Preservation, and Restoration Plan is being pursued by the Suisun Principal Agencies, a group of agencies with primary responsibility for Suisun Marsh management, and is intended to balance the benefits of tidal wetland restoration with other habitat uses in the Marsh by evaluating alternatives that provide a politically acceptable change in Marshwide land uses. It relies on the incorporation of existing science and information developed through adaptive management
