State Clearinghouse Number (if submitted to State Clearinghouse): 2015062076 (Original EIR)

Project Title: Addendum No. 2 to Final EIR - Mosquito Road Bridge (25C0061) Replacement Project

Project Applicant: El Dorado County, Department of Transportation

Project Location (include county): 6 miles north of US Highway 50, El Dorado County

Project Description:

Addendum No. 2 updates the Project's first Addendum certified by the Board on December 10, 2019, to include two minor revisions identified by County Department of Transportation staff following certification of the Final EIR and first Addendum. The minor changes identified in Addendum No. 2 do not result in any new significant or substantially more severe environmental impacts beyond those already addressed in the Final EIR and first Addendum. The NOD for the EIR and first Addendum is attached. +

This is to advise that the County of El Dorado has approved the above (input checked) Lead Agency or (input unchecked) Responsible Agency

described project on 6 December 2022 and has made the following determinations regarding the above (date) described project.

- 1. The project [input unchecked] will [input checked] will not] have a significant effect on the environment.
2. [input checked] An Environmental Impact Report was prepared for this project pursuant to the provisions of CEQA. [input unchecked] A Negative Declaration was prepared for this project pursuant to the provisions of CEQA.
3. Mitigation measures [input checked] were [input unchecked] were not] made a condition of the approval of the project.
4. A mitigation reporting or monitoring plan [input checked] was [input unchecked] was not] adopted for this project.
5. A statement of Overriding Considerations [input unchecked] was [input checked] was not] adopted for this project.
6. Findings [input checked] were [input unchecked] were not] made pursuant to the provisions of CEQA.

This is to certify that the final EIR with comments and responses and record of project approval, or the negative Declaration, is available to the General Public at:

El Dorado County, Department of Transportation, 2850 Fairlane Court, Placerville, CA 95667

Project Title: Addendum to Mosquito Road Bridge (No. 25C0061) Replacement Project EIR

Project Applicant: El Dorado County, Department of Transportation

Project Location (include county): 6 miles north of US Highway 50, El Dorado County

Project Description:

This addendum updates the Mosquito Road Bridge Replacement Project Final Environmental Impact Report (EIR) certified by the El Dorado County (County) Board of Supervisors (Board) on August 8, 2017, to include four minor clarifications/revisions identified by County Department of Transportation staff following certification of the Final EIR. The minor changes identified in the Addendum to the EIR do not result in any new significant or substantially more severe environmental impacts beyond those already addressed in the Final EIR. The NOD for the 2017 EIR is attached.

This is to advise that the County of El Dorado has approved the above ([] Lead Agency or [] Responsible Agency)

described project on 10 December 2019 and has made the following determinations regarding the above (date) described project.

- 1. The project [] will [] will not have a significant effect on the environment.

State Clearinghouse Number (if submitted to State Clearinghouse): 2015062076

Project Title: Mosquito Road Bridge (No. 25C0061) Replacement Project

Project Applicant: El Dorado County Community Development Services, Department of Transportation

Project Location (include county): Mosquito Road over the South Fork American River, El Dorado Co.

Project Description:

The County proposes to (1) replace an existing, functionally obsolete, one-lane, 9-foot wide, limited-capacity timber suspension bridge reconstructed in 1939, with a new bridge approximately 1,250 feet long and 35.5 feet wide, that meets current safety standards; and (2) realign the southern and northern Mosquito Road roadway approaches. The new bridge will have two 11- to 12-foot lanes with 4-foot shoulders and guardrails. Because the project would be constructed outside the existing roadway alignment, the existing Mosquito Road and bridge would likely remain open to traffic with some short term closures. For more details, the document is available as described below.

This is to advise that the El Dorado County Board of Supervisors has approved the above ([] Responsible Agency or [] Lead Agency)

described project on August 8, 2017 and has made the following determinations regarding the above described project. (date)

- 1. The project [] will [] will not have a significant effect on the environment.
2. [] An Environmental Impact Report was prepared for this project pursuant to the provisions of CEQA.
3. Mitigation measures [] were [] were not made a condition of the approval of the project.
4. A mitigation reporting or monitoring plan [] was [] was not adopted for this project.
5. A statement of Overriding Considerations [] was [] was not adopted for this project.
6. Findings [] were [] were not made pursuant to the provisions of CEQA.
