Project Title: Folsom Dam Raise Modifications Project

Project Location/Address/City/County: The proposed office building is located at 12009 Foundation Place, Suite 170, Gold River, California, in Sacramento County. The office is located in an executive office park called Gold Point Corporate Center in the Gold River area.

Description of Nature, Purpose, and Beneficiaries of Project: The Department of Water Resources (DWR) in coordination with the U.S. Army Corps of Engineers (USACE) and Sacramento Area Flood Control Agency (SAFCA) would lease an existing commercial office building to be used as an office space for the Folsom Dam Raise Modifications Project. The interior and exterior of the building would undergo minor alterations and improvements. A chain-link fence, manual rolling gate, and pedestrian gate would be installed around the west-side parking lot for the purpose of providing a secure parking area for employees.

Public Agency Approving Project: Central Valley Flood Protection Board

Public Agency/Person Carrying Out Project: United States Army Corps of Engineers
