Project Title: Kent Avenue Bridge Replacement (Streambed Alteration Agreement No. 1600-2020-0042-R2)

Project Location: The project is located in the Sutter Butte Canal, in the town of Live Oak, off Kent Avenue, in the County of Sutter, State of California; Latitude 39.246114, Longitude -121.639949.

Project Description: The California Department of Fish and Wildlife (CDFW) has executed Streambed Alteration Agreement number 1600-2020-0042-R2, pursuant to section 1602 of the Fish and Game Code to the project Applicant, Sutter County Development Services Department. The project is limited to the construction of a replacement bridge for the Kent Avenue Bridge, over the Sutter Butte Irrigation Canal. The existing bridge is 42-feet long and 28-feet wide and is composed of four 90-inch diameter corrugated metal pipes with headwalls. The bridge will be replaced in approximately the same location with the roadway approaches widened to provide a tapered transition to the new structure. It is anticipated the new bridge will consist of reinforced concrete abutments supporting precast concrete voided slabs clear spanning the canal. The width of the new structure will be approximately 33-feet, including two 11-foot lanes, two 4-foot shoulders, and two 1.5-foot wide railings. The length of the replacement bridge will be 61-feet.

This is to advise that CDFW, acting as a Responsible Agency, approved the above described project on the date signed below and has made the following determinations regarding the project pursuant to California Code of Regulations section 15096, subdivision (i):

1. The project will not have a significant effect on the environment. This determination is limited to effects within CDFW's permitting jurisdiction as a Responsible Agency.
2. CDFW considered the mitigated negative declaration / negative declaration prepared by the Lead Agency for this project pursuant to California Code of Regulations section 15096, subdivision (f).
3. Mitigation measures were / were not made a condition of CDFW's approval of the project.
4. A mitigation reporting or monitoring plan was / was not adopted by CDFW for this project.
5. A statement of overriding considerations was not adopted by CDFW for this project.
6. Findings were not made by CDFW pursuant to California Code of Regulations section 15091.

The mitigated negative declaration / negative declaration prepared for the project is available to the general public at the office location listed above for the Lead Agency. CDFW's record of project approval as Responsible Agency is available at CDFW's regional office.
