Project Title: Los Angeles Regional Interoperable Communications System (LA-RICS) Land Mobile Radio (LMR) Project

Project Applicant: LA-RICS Joint Powers Authority (JPA)

Project Location: Sites LPC and RIH are shown on attachment 1 and are located within Los Angeles County.

Project Description:

Change Orders for soil removal at Sites LPC and RIH (listed on Attachment 1) allows for implementation of the LMR System, which consists of installation of antennas on a new lattice tower and supporting radio equipment in a new shelter at these sites. The environmental impacts of project implementation at these sites were evaluated in an Environmental Impact Report (EIR) certified by the LA-RICS JPA Board on March 29, 2016. There have been no changes to the project or to the circumstances under which the project is undertaken since that approval that would require new analysis or mitigation under CEQA. 14

This is to advise that the Lead Agency, LA-RICS JPA, approved the above-described project on 6/4/2020 and has made the following determinations regarding the above described project.

1. The LA-RICS Authority Board previously certified an Environmental Impact Report (EIR) on March 29, 2016 which analyzed all impacts related to the above-described project.
2. Mitigation measures were made a condition of the project.
3. A mitigation reporting or monitoring plan was previously adopted for this project.
4. A statement of Overriding Considerations and Findings were previously adopted for this project.
5. Following the LA-RICS Authority Board's certification of the EIR, a Notice of Determination was filed on March 29, 2016 with the LA and San Bernardino county clerks for the sites in the Final EIR pursuant to Section 21152(a) of the California Resources Code and Section 15094 of the State CEQA Guidelines.
6. There has been no change to the project or substantial changes in circumstances or new information that would warrant subsequent environmental analysis in accordance with CEQA.

This is to certify that the final EIR with comments and responses and record of project approval is available to the General Public at: LA-RICS Headquarters, 2525 Corporate Place, Suite 100, Monterey Park, California 91754.
