**SUBJECT:** *Filing of Notice of Determination pursuant to Public Resources Code section 21108*

**State Clearinghouse Number:** 2011022031

**Project Title:** 248 Jared Lane, Los Gatos (Lake or Streambed Alteration Agreement No. 1600-2019-0255-R3)

**Project Location:** The Project is located at 248 Jared Lane, Los Gatos, Santa Clara County, California, 95030. The coordinates are 37.218388° N latitude and 121.963917° W longitude (NAD 83 or WGS 84). The Assessor's Parcel Number is 532-34-071.

**Project Description:** The California Department of Fish and Wildlife (CDFW) has executed Lake and Streambed Alteration Agreement number 1600-2019-0255-R3, pursuant to section 1602 of the Fish and Game Code to the project Applicant, Sam Pan.

The Project includes grading the drainage, construction of an arch-culvert crossing over the drainage, and removal of riparian trees. Grading will take place along 70 lineal feet of the drainage, impacting approximately 105 square feet. Grading will occur in a section of the drainage where there is sub-surface water flow. The grading will result in a connection of surface flow between the reaches above and below the graded area. Half of a 12-inch corrugated aluminum plate culvert of 38 feet in length will be installed over pre-cast concrete footings. Graded material will be used to construct an earthen crossing over the culvert and the surface will be paved.

This is to advise that CDFW, acting as a Responsible Agency, approved the above described project on June 17, 2020, and has made the following determinations regarding the project pursuant to California Code of Regulations section 15096, subdivision (i):

1. The project will not have a significant effect on the environment. This determination is limited to effects within CDFW's permitting jurisdiction as a Responsible Agency.
2. CDFW considered the  mitigated negative declaration /  negative declaration prepared by the Lead Agency for this project pursuant to California Code of Regulations section 15096, subdivision (f).
3. Mitigation measures  were /  were not made a condition of CDFW's approval of the project.
4. A mitigation reporting or monitoring plan  was /  was not adopted by CDFW for this project.
5. A statement of overriding considerations was not adopted by CDFW for this project.
6. Findings were not made by CDFW pursuant to California Code of Regulations section 15091.

The  mitigated negative declaration /  negative declaration prepared for the project is available to the general public at the office location listed above for the Lead Agency. CDFW's record of project approval as Responsible Agency is available at CDFW's regional office.
