Project Title: Milena Maskovic

Project Applicant: Milena Maskovic

Project Location (include county): 1851 Sanicula Road, Mad River (Trinity) CA, 95552

Project Description: The proposed cultivation project described herein (Project) includes the cultivation of 9,240 square feet (sf) of mature mixed-light cannabis and 2,304 sf of support area located in Trinity County on Assessor's Parcel Number (APN) 018-740-01-00. The applicant is seeking a Small Outdoor Cannabis Cultivation License from the County (CCL-619) and has a Small Mixed-Light Cannabis Cultivation License from the Department of Cannabis Control (DCC; CCL20-0000100). Existing activities include the cultivation of 9,240 sf of mature mixed-light cannabis grown in three (3) existing greenhouses. Currently, there is currently 4,770 sf dedicated to immature plants in a 4,770-sf designated area outside. Existing cannabis support area include two (2) existing sheds for storage, one (1) existing shed for administrative hold, and one (1) designated compost area. The project proposes to construct a 2,160-sf building that will be used to hold immature plants, as well as for harvest storage, pesticide and agricultural chemical storage, administrative hold, processing, and the immature plant area. After construction, total cannabis support area would total 7,314 sf. Power is provided by two (2) generators, and water is supplied by a water diversion from Mad River. The project is proposing to add solar panels to power the greenhouses in the future and is proposing to trench and bury the power lines disturbing 1,743 sf of soil. The project is also proposing to replace one unpermitted 36-inch culvert with a 72-inch culvert and provide maintenance of the water diversion.

This is to advise that the Trinity County Community Development Department- Cannabis Division

has approved the above (  Lead Agency or  Responsible Agency)

described project on March 8, 2024 and has made the following determinations regarding the above  
(date)  
described project.

1. The project [ will  will not] have a significant effect on the environment.
2.  An Environmental Impact Report was prepared for this project pursuant to the provisions of CEQA.  
 A Negative Declaration was prepared for this project pursuant to the provisions of CEQA.
3. Mitigation measures  were  were not] made a condition of the approval of the project.
4. A mitigation reporting or monitoring plan [ was  was not] adopted for this project.
5. A statement of Overriding Considerations [ was  was not] adopted for this project.
6. Findings [ were  were not] made pursuant to the provisions of CEQA.

This is to certify that the final EIR with comments and responses and record of project approval, or the negative Declaration, is available to the General Public at:  
Trinity County Planning Department- Cannabis Division (530 Main Street, Weaverville CA 96093)

---

The County finds that the adoption of the proposed project falls within the Trinity County Cannabis Program Environmental Impact Report ("EIR")( SCH# 2018122049). Certified by the Board of Supervisors on December 21, 2020 (Resolution 2020-103). Pursuant to CEQA Guidelines (California Code of Regulations, Title 14) Section 15168, the impacts associated with the proposed project were studied, and mitigation measures concerning such impacts were developed, in the Cannabis Program EIR. No further environmental review is required because the County finds, based on substantial evidence in the Record of Proceedings, that approval of this project is a "later activity" associated with the Cannabis Program EIR, as defined by subsection (c) of Section 15168, in that (i)all impacts associated with the approval of this project are within the scope of environmental review previously studied, and (ii) the requirements and mitigations required by Chapter 17.43 and 17.43G of the Trinity County Code, adequately serve to mitigate the impacts associated with approval of this project.
