Project Title: Sheng Yang

Project Applicant: Sheng Yang

Project Location (include county): 1580 Chrome Mine Road, Hayfork (Trinity), CA 96041

Project Description: The proposed cultivation project described herein (Project) includes the cultivation of up to 10,000 square feet (SF) of mature outdoor cannabis located in Trinity County on Assessor's Parcel Number (APN) 019-610-02-00. The applicant is currently seeking a Small Mixed-Light Cannabis Cultivation License from the County (CCL-450). The applicant also holds a provisional Adult-Use Small Outdoor Tier 1 Cannabis Cultivation License from the Department of Cannabis Control (DCC; CCL19-0004579). Currently, there are (150) - 8'x8' raised boxes for mature outdoor canopy and a 6'x40' non-hoophouse for immature canopy. Existing cannabis support infrastructure includes: two (2) 10'x12' sheds used for agricultural chemical and pesticide storage, processing and administrative hold; one 8'x40' shipping container used for harvest storage; a permitted ground water well for domestic and agricultural use; a 2,500-gallon water storage tank, a 250-gallon water storage tank, and another 2,500-gallon water storage tank for fire protection.. Proposed activities include: installation of a solar panel array to provide power for the site; change the license type to Mixed-Light Tier 1 within the next several years. Once the license type is changed, the current cultivation boxes will be removed, and two 30'x100' greenhouses will be installed within the existing cultivation's disturbed area. A more detailed project description can be found in the Appendix C Checklist.

This is to advise that the Trinity County Community Development Department- Cannabis Division

has approved the above (Lead Agency or Responsible Agency)

described project on March 15, 2024 and has made the following determinations regarding the above described project. (date).

1. The project [will will not] have a significant effect on the environment.
2. An Environmental Impact Report was prepared for this project pursuant to the provisions of CEQA.
 A Negative Declaration was prepared for this project pursuant to the provisions of CEQA.
3. Mitigation measures [were were not] made a condition of the approval of the project.
4. A mitigation reporting or monitoring plan [was was not] adopted for this project.
5. A statement of Overriding Considerations [was was not] adopted for this project.
6. Findings [were were not] made pursuant to the provisions of CEQA.

This is to certify that the final EIR with comments and responses and record of project approval, or the negative Declaration, is available to the General Public at:
Trinity County Community Development Department- Cannabis Division (530 Main Street,
Weaverville CA 96093)

The County finds that the adoption of the proposed project falls within the Trinity County Cannabis Program Environmental Impact Report ("EIR")(SCH# 2018122049). Certified by the Board of Supervisors on December 21, 2020 (Resolution 2020-103). Pursuant to CEQA Guidelines (California Code of Regulations, Title 14) Section 15168, the impacts associated with the proposed project were studied, and mitigation measures concerning such impacts were developed, in the Cannabis Program EIR. No further environmental review is required because the County finds, based on substantial evidence in the Record of Proceedings, that approval of this project is a "later activity" associated with the Cannabis Program EIR, as defined by subsection (c) of Section 15168, in that (i)all impacts associated with the approval of this project are within the scope of environmental review previously studied, and (ii) the requirements and mitigations required by Chapter 17.43 and 17.43G of the Trinity County Code, adequately serve to mitigate the impacts associated with approval of this project.
