State Clearinghouse Number (if submitted to State Clearinghouse): 2018122049

Project Title: Lucky Green Farm, LLC

Project Applicant: Jee Lee

Project Location (include county): State Highway 3, Hayfork (Trinity), CA 96041

Project Description: The proposed cultivation project described herein (Project) is the continuation of existing cultivation activities located in Trinity County on Assessor's Parcel Number (APN) 015-050-09-00. The applicant is applying for a cannabis cultivation license from the Trinity County Planning Department (CCL-607) to cultivate up to 10,000 square feet (sf) of mature mixed-light canopy. The existing cultivation currently includes (152) - 5'x5' cultivation boxes, one (1) 6'x9' cultivation bed, two (2) 4'x8' cultivation beds for mature canopy (mature canopy calculation account for 1' overhang on each side); three (3) 6'x 40' hoop houses, and one (1) 6'x50' hoop house totaling 8,767sqft outdoor mature canopy; When able the applicant will apply to transition from an outdoor cultivation license to a mixed-light license type. This transition will require the removal of the (152) 5'x5' boxes, one (1) 6'x9' cultivation bed, two (2) 4'x8' cultivation beds, and construction of four (4) 20'x 100' greenhouses within the existing disturbed area (Figure 5) to operate 9,020 sf of mixed-light mature cannabis canopy. Work will be completed on the existing graded pads and not require any additional soil work or disturbance. Currently, existing infrastructure includes: an 8'x15' shed used for harvest storage and packaging; a 10'x12' cannabis waste area for composting; an 8'x20' shipping container used for agricultural chemical and pesticide storage, which contains a 2'x3' tote used for administrative holding; 10'x12' shed used for processing; a ground water well for agricultural use; a 550-gallon nutrient mixing tank; a 250-gallon water storage tank, a 1,000-gallon water storage tank, and two (2) 2,500-gallon water storage tanks for agriculture; one (1) 1,500-

gallon and one (1) 5,000-gallon reverse osmosis tanks.

This is to advise that the Trinity County Community Development Department- Cannabis Division

has approved the above (Lead Agency or Responsible Agency)

described project on March 15, 2024 and has made the following determinations regarding the above described project. (date).

1. The project [will will not] have a significant effect on the environment.
2. An Environmental Impact Report was prepared for this project pursuant to the provisions of CEQA.
 A Negative Declaration was prepared for this project pursuant to the provisions of CEQA.
3. Mitigation measures were were not] made a condition of the approval of the project.
4. A mitigation reporting or monitoring plan [was was not] adopted for this project.
5. A statement of Overriding Considerations [was was not] adopted for this project.
6. Findings [were were not] made pursuant to the provisions of CEQA.

This is to certify that the final EIR with comments and responses and record of project approval, or the negative Declaration, is available to the General Public at:
Trinity County Community Development Department- Cannabis Division (530 Main Street, Weaverville CA 96093)

The County finds that the adoption of the proposed project falls within the Trinity County Cannabis Program Environmental Impact Report ("EIR")(SCH# 2018122049). Certified by the Board of Supervisors on December 21, 2020 (Resolution 2020-103). Pursuant to CEQA Guidelines (California Code of Regulations, Title 14) Section 15168, the impacts associated with the proposed project were studied, and mitigation measures concerning such impacts were developed, in the Cannabis Program EIR. No further environmental review is required because the County finds, based on substantial evidence in the Record of Proceedings, that approval of this project is a "later activity" associated with the Cannabis Program EIR, as defined by subsection (c) of Section 15168, in that (i)all impacts associated with the approval of this project are within the scope of environmental review previously studied, and (ii) the requirements and mitigations required by Chapter 17.43 and 17.43G of the Trinity County Code, adequately serve to mitigate the impacts associated with approval of this project.
