Project Title: Van Patton Garrett, LLC, Van Patton Garret and Kirilka Tsvetkova

Project Applicant: Van Patton Garret and Kirilka Tsvetkova

Project Location (include county): 4081 & 3885 Lower South Fork Road, Hyampom, CA 96046

Project Description: The proposed cultivation project described herein (Project) is the cultivation of up to 10,000 square feet (sf) of Small Mixed-Light cannabis. The project proposes no grading and no new disturbance areas to be created. Proposed Disturbed area currently amounts to approx. 0.57 acres. The project includes four (4) 24'x75' and one (1) 30'x100' hoop-houses for mature canopy; six (6) 24'x75' hoop-houses for immature canopy. Existing support infrastructure includes: a 25'x60' metal building used for general storage, one 10'x20' cannabis waste and composting area, two (2) rain catchment water storage ponds for both domestic and agricultural uses (67,000 and 582,000 gallons), one (1) 500-gallon mixing tank, two (2) 1,000-gallon water storage tanks, two (2) 2,500-gallon water storage tanks, and one (1) 850-gallon water storage tank. Proposed reconfiguration activities will occur in previously disturbed areas and will not add additional acreage to the disturbed area. These activities include: installation of one (1) 2,500-gallon water storage tank for agricultural use; and repurposing the attached garage (currently used as for post-harvest processing) for harvest storage, agricultural chemical and pesticide storage, and administrative holding area. No tree or brush removal is proposed. Heavy equipment will be operated by a licensed contractor during the dry season and after the nesting season (September 1 to November 15).
Special Notes: Introduction includes "a well" which is no longer proposed for installation and has previously been removed from Project Elements.

This is to advise that the Trinity County Community Development Department – Cannabis Division

has approved the above (Lead Agency or Responsible Agency)

described project on March 1, 2024 and has made the following determinations regarding the above
(date)
described project.

1. The project [will will not] have a significant effect on the environment.
2. An Environmental Impact Report was prepared for this project pursuant to the provisions of CEQA.
 A Negative Declaration was prepared for this project pursuant to the provisions of CEQA.
3. Mitigation measures were were not] made a condition of the approval of the project.
4. A mitigation reporting or monitoring plan [was was not] adopted for this project.
5. A statement of Overriding Considerations [was was not] adopted for this project.

This is to certify that the final EIR with comments and responses and record of project approval, or the negative Declaration, is available to the General Public at:
Trinity County Community Development Department - Cannabis Division (530 Main Street,
Weaverville CA 96093)

The County finds that the adoption of the proposed project falls within the Trinity County Cannabis Program Environmental Impact Report ("EIR")(SCH# 2018122049). Certified by the Board of Supervisors on December 21, 2020 (Resolution 2020-103). Pursuant to CEQA Guidelines (California Code of Regulations, Title 14) Section 15168, the impacts associated with the proposed project were studied, and mitigation measures concerning such impacts were developed, in the Cannabis Program EIR. No further environmental review is required because the County finds, based on substantial evidence in the Record of Proceedings, that approval of this project is a "later activity" associated with the Cannabis Program EIR, as defined by subsection (c) of Section 15168, in that (i)all impacts associated with the approval of this project are within the scope of environmental review previously studied, and (ii) the requirements and mitigations required by Chapter 17.43 and 17.43G of the Trinity County Code, adequately serve to mitigate the impacts associated with approval of this project.
