Project Title: The Trinity Farm LLC

Project Applicant: Jason Serikawa

Project Location (include county): 661 Wood Lane, Salyer (Trinity), CA 95563

Project Description: The proposed cultivation project described herein (Project) includes the cultivation of up to 10,000 square feet (SF) of outdoor cannabis located in Trinity County on Assessor's Parcel Number (APN): 008-040-013-00. The designated area totals 12,863 SF. The applicant is seeking a Small Outdoor Cannabis Cultivation License from the County (CCL-449) and currently holds a Provisional Cannabis Cultivation License from the Department of Cannabis Control (DCC; CCL20-0002013, expires 2024-01-28). The project parcel is located at 661 Wood Lane in Salyer, California. Access to the property is via public paved road, Campbell Ridge Road, that connects to a private road, Wood Lane. Cultivation activities include 9,980 SF of outdoor canopy area and 1,600 SF of immature plant area. The proposed project includes use of a groundwater well for water source. The cultivation is irrigated via a drip system to reduce water loss. The direct footprint of the infrastructure and designated area results in approximately 15,046 SF. A more detailed project description can be found in the Appendix C Checklist. SPECIAL NOTES: Please note the project currently has hoopouses in all the locations where the proposed (P) greenhouses are denoted in the table above. to be replaced within the existing footprint. As such, the hoopouses to be replaced by greenhouses were thus not used in calculation of the canopy area. Additionally, all water tank sizes are estimates.

This is to advise that the Trinity County Community Development Department- Cannabis Division

has approved the above (Lead Agency or Responsible Agency)

described project on March 22, 2024 and has made the following determinations regarding the above described project. (date).

1. The project [will will not] have a significant effect on the environment.

This is to certify that the final EIR with comments and responses and record of project approval, or the negative Declaration, is available to the General Public at:
Trinity County Community Development Department- Cannabis Division (530 Main Street,
Weaverville CA 96093)

The County finds that the adoption of the proposed project falls within the Trinity County Cannabis Program Environmental Impact Report ("EIR")(SCH# 2018122049). Certified by the Board of Supervisors on December 21, 2020 (Resolution 2020-103). Pursuant to CEQA Guidelines (California Code of Regulations, Title 14) Section 15168, the impacts associated with the proposed project were studied, and mitigation measures concerning such impacts were developed, in the Cannabis Program EIR. No further environmental review is required because the County finds, based on substantial evidence in the Record of Proceedings, that approval of this project is a "later activity" associated with the Cannabis Program EIR, as defined by subsection (c) of Section 15168, in that (i) all impacts associated with the approval of this project are within the scope of environmental review previously studied, and (ii) the requirements and mitigations required by Chapter 17.43 and 17.43G of the Trinity County Code, adequately serve to mitigate the impacts associated with approval of this project.
