State Clearinghouse Number (if submitted to State Clearinghouse): 2018122049

Project Title: Mountain Made, LLC

Project Applicant: Michael Kephart

Project Location (include county): 790 Kellogg Gulch Rd., Hayfork (Trinity), CA 96041

Project Description: The proposed cultivation project described herein (Project) includes the cultivation of up to 10,000 square feet (SF) of mixed-light mature canopy located in Trinity County on Assessor's Parcel Number (APN): 014-420-014-000. The applicant is seeking a Small Outdoor Cannabis Cultivation License from the County (CCL-264) and currently holds an Adult-Use Small Outdoor Cannabis Cultivation License from the Department of Cannabis Control (DCC; CCL19-0001542, Expires on 2024-10-10). Cultivation activities include approx. 9,620sqft of mature canopy in three (3) existing 30'x100' greenhouses with 27'x100; canopy area each and one (1) proposed 20'x80' greenhouse with 19'x80' canopy area in previously disturbed area. Existing support infrastructure includes a 10'x10' cannabis waste holding and composting area, a 36'x60' building for post-harvest processing that will become harvest storage, administrative hold (2'x3' tote) and agricultural chemical and pesticide storage (2'x3'), a permitted groundwater well for both agricultural and domestic purposes, six (6) 2,500gal and four (4) 500gal nutrient mixing tanks. Proposed infrastructure includes the addition of the 20'x80' greenhouse as mentioned before and the addition of a 10'x12' agricultural chemical/pesticide storage shed. No heavy equipment will be needed to implement the proposed reconfiguration activities. There is a permitted private septic system onsite and power is provided by TPUD. A more detailed project description can be found in the Appendix C Checklist. MINOR MODIFICATION: 1. This updated Notice of Determination is being processed as result of request submitted on 12/21/2023 for minor modification to a previously approved project; changes

include the removal of supplemental lights and transition to outdoor license type.

This is to advise that the Trinity County Community Development Department- Cannabis Division has approved the above (Lead Agency or Responsible Agency)

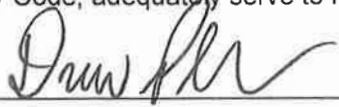

described project on March 1, 2024 and has made the following determinations regarding the above described project. (date).

1. The project [will will not] have a significant effect on the environment.
2. An Environmental Impact Report was prepared for this project pursuant to the provisions of CEQA.
 A Negative Declaration was prepared for this project pursuant to the provisions of CEQA.
3. Mitigation measures were were not] made a condition of the approval of the project.
4. A mitigation reporting or monitoring plan [was was not] adopted for this project.
5. A statement of Overriding Considerations [was was not] adopted for this project.
6. Findings [were were not] made pursuant to the provisions of CEQA.

This is to certify that the final EIR with comments and responses and record of project approval, or the negative Declaration, is available to the General Public at:

Trinity County Community Development Department- Cannabis Division (530 Main Street, Weaverville CA 96093)

The County finds that the adoption of the proposed project falls within the Trinity County Cannabis Program Environmental Impact Report ("EIR")(SCH# 2018122049). Certified by the Board of Supervisors on December 21, 2020 (Resolution 2020-103). Pursuant to CEQA Guidelines (California Code of Regulations, Title 14) Section 15168, the impacts associated with the proposed project were studied, and mitigation measures concerning such impacts were developed, in the Cannabis Program EIR. No further environmental review is required because the County finds, based on substantial evidence in the Record of Proceedings, that approval of this project is a "later activity" associated with the Cannabis Program EIR, as defined by subsection (c) of Section 15168, in that (i)all impacts associated with the approval of this project are within the scope of environmental review previously studied, and (ii) the requirements and mitigations required by Chapter 17.43 and 17.43G of the Trinity County Code, adequately serve to mitigate the impacts associated with approval of this project.
