Project Title: Mr. Green LLC

Project Applicant: Todd Stankov

Project Location (include county): 14480 State Highway 3, Hayfork (Trinity), CA 96041

Project Description: The proposed cultivation project described herein (Project) is the continuation of existing cultivation activities located in Trinity County on Assessor's Parcel Number (APN) 015-050-038. The applicant currently holds an Adult Use – Small Mixed-Light Tier 1 Adult-Use Cannabis Cultivation License from the California Department of Cannabis Control (DCC) (CCL20-0001261 Cultivation, expires 2023-10-01) and is applying for a cannabis cultivation license from the Trinity County Planning Department (CCL-709) to cultivate up to 10,000 square feet (sf) of mature mixed-light canopy. The existing cultivation currently includes four (4) 30'x96' greenhouses for immature canopy which will be repurposed for mature canopy. Existing Support infrastructure includes a 10'x10' cannabis waste composting area; a 5'x3' agricultural chemical/pesticide storage; a 36-kilowatt diesel generator; two (2) 1,500-gallon water storage tanks; three (3) 2,500-gallon water storage tanks; a 250-gallon nutrient mixing tank; a permitted groundwater well that serves both domestic and agricultural needs. Proposed activities at this site will not increase result in new ground disturbance as structures will be installed on the existing graded pad. These activities include: construction of a 20'x60' building containing the following: a 46'x20' area for processing which will become harvest storage then become packaging, a 10'x15' area for immature canopy, a 2'x4' tote for an administrative holding area, and a 4'x6' area for agricultural chemical storage; and installation of one (1) 8'x10' shed for harvest storage. A more detailed project description can be found in the Appendix C Checklist.

This is to advise that the Trinity County Community Development Department- Cannabis Division has approved the above (  Lead Agency or  Responsible Agency)

described project on April 5 2024 and has made the following determinations regarding the above described project. (date).

1. The project [ will  will not] have a significant effect on the environment.
2.  An Environmental Impact Report was prepared for this project pursuant to the provisions of CEQA.  
 A Negative Declaration was prepared for this project pursuant to the provisions of CEQA.
3. Mitigation measures  were  were not] made a condition of the approval of the project.
4. A mitigation reporting or monitoring plan [ was  was not] adopted for this project.
5. A statement of Overriding Considerations [ was  was not] adopted for this project.
6. Findings [ were  were not] made pursuant to the provisions of CEQA.

This is to certify that the final EIR with comments and responses and record of project approval, or the negative Declaration, is available to the General Public at:  
Trinity County Community Development Department- Cannabis Division (530 Main Street, Weaverville CA 96093)

The County finds that the adoption of the proposed project falls within the Trinity County Cannabis Program Environmental Impact Report ("EIR")( SCH# 2018122049). Certified by the Board of Supervisors on December 21, 2020 (Resolution 2020-103). Pursuant to CEQA Guidelines (California Code of Regulations, Title 14) Section 15168, the impacts associated with the proposed project were studied, and mitigation measures concerning such impacts were developed, in the Cannabis Program EIR. No further environmental review is required because the County finds, based on substantial evidence in the Record of Proceedings, that approval of this project is a "later activity" associated with the Cannabis Program EIR, as defined by subsection (c) of Section 15168, in that (i)all impacts associated with the approval of this project are within the scope of environmental review previously studied, and (ii) the requirements and mitigations required by Chapter 17.43 and 17.43G of the Trinity County Code, adequately serve to mitigate the impacts associated with approval of this project.
