Project Title: Hue Kung Lee

Project Applicant: Hue Kung Lee

Project Location (include county): 1200 Trinity Pines Drive, Post Mountain (Trinity), CA 96041

Project Description: The proposed cultivation project described herein (Project) includes the cultivation of up to 10,000 square feet (SF) of outdoor mature canopy located in Trinity County on Assessor's Parcel Number (APN): 019-350-004-000. The applicant is seeking a Small Outdoor Cannabis Cultivation License from the County (CCL-510) and currently holds an Adult-Use Small Outdoor Cannabis Cultivation License from the Department of Cannabis Control (DCC; CCL20-0001683, Expires on 2024-17-11). Cultivation activities will include up to 10,000 SF of mature canopy in (195) 5'x5' outdoor boxes for mature canopy, and two (2) 12'x42' carports for immature canopy. Existing supporting infrastructure includes a 1,000-gallon, two (2) 2,500-gallon, and a 5,000-gallon water storage tanks; a 275-gallon nutrient mixing tank; a 18'x43' composting area for cannabis waste; a 7'x8' shed for agricultural chemical and pesticide storage; and two (2) 10'x20' shipping containers for processing and harvest storage. The project proposes to replace the outdoor boxes and immature area with five (5) 40'x100' greenhouses where two and one half (2 1/2) greenhouses will house mature canopy (10,000 SF) and two and one half (2 1/2) greenhouses will house immature canopy (10,000 SF) for future transition to Mixed-light license. Project development will require grading with heavy equipment in the previously disturbed area. Development will not increase the disturbed footprint; no additional tree or vegetation removal is proposed. There is a permitted septic system onsite that service the projects' wastewater needs; power is provided by a 50-horsepower solar pump; and the project will utilize two (2) permitted wells for domestic and agricultural use. A more detailed project

description can be found in the Appendix C Checklist.

This is to advise that the Trinity County Community Development Department- Cannabis Division has approved the above (Lead Agency or Responsible Agency)

described project on May 31, 2024 and has made the following determinations regarding the above described project. (date).

1. The project [will will not] have a significant effect on the environment.
2. An Environmental Impact Report was prepared for this project pursuant to the provisions of CEQA.
 A Negative Declaration was prepared for this project pursuant to the provisions of CEQA.
3. Mitigation measures were were not] made a condition of the approval of the project.
4. A mitigation reporting or monitoring plan [was was not] adopted for this project.
5. A statement of Overriding Considerations [was was not] adopted for this project.
6. Findings [were were not] made pursuant to the provisions of CEQA.

This is to certify that the final EIR with comments and responses and record of project approval, or the negative Declaration, is available to the General Public at:
Trinity County Community Development Department- Cannabis Division (530 Main Street, Weaverville CA 96093)

The County finds that the adoption of the proposed project falls within the Trinity County Cannabis Program Environmental Impact Report ("EIR")(SCH# 2018122049). Certified by the Board of Supervisors on December 21, 2020 (Resolution 2020-103). Pursuant to CEQA Guidelines (California Code of Regulations, Title 14) Section 15168, the impacts associated with the proposed project were studied, and mitigation measures concerning such impacts were developed, in the Cannabis Program EIR. No further environmental review is required because the County finds, based on substantial evidence in the Record of Proceedings, that approval of this project is a "later activity" associated with the Cannabis Program EIR, as defined by subsection (c) of Section 15168, in that (i)all impacts associated with the approval of this project are within the scope of environmental review previously studied, and (ii) the requirements and mitigations required by Chapter 17.43 and 17.43G of the Trinity County Code, adequately serve to mitigate the impacts associated with approval of this project.
