SUBJECT: Filing of Notice of Determination in compliance with Section 21108 or 21152 of the Public Resources Code.

State Clearinghouse Number (if submitted to State Clearinghouse): 2018122049

Project Title: PROUD FAMILY FARMS LLC (CCL-662)

Project Applicant: Devin Proud

Project Location (include county): 136 Carter Gulch Road, Hayfork (Trinity), CA 96041

Project Description: The proposed cultivation project described herein (Project) includes the cultivation of 2,500 square feet (SF) of mature mixed-light cannabis with proposed transition to 10,000 square feet (SF) of mature outdoor cannabis located in Trinity County on Assessor's Parcel Number 011-410-034-000. The applicant is seeking a Specialty Cottage Mixed-Light Cannabis Cultivation License from the County, with proposed transition to Small Outdoor from the county and is seeking a Medicinal Specialty Cottage Mixed-Light Tier 1 Cannabis Cultivation License from the Department of Cannabis Control (DCC) with proposed transition to Small Outdoor from the DCC. Existing cannabis cultivation activities include a 30'x83' (2,490 SF) greenhouse currently used for mature mixed-light canopy. The applicant proposes to create a new cultivation area which would consist of an outdoor garden totaling 10,000 SF mature canopy, approx. 50'x200 area. Plants would be grown above-ground in soil bags; no grading or heavy machinery would be required, and no holes would be dug. The greenhouse in which mature cultivation currently takes place would be converted to an immature plant area. Existing cannabis support infrastructure include a 25'x45' Barn for processing, harvest storage, admin hold; 750-SF cannabis compost area, a 64-SF pesticide and agricultural chemical storage building, a permitted onsite groundwater well, and five (5) water storage tanks of various capacities. Power to the parcel is provided by an existing connection to the Trinity Public Utility System, and there is a permitted septic system onsite to serve the project's wastewater needs. A more detailed project description can be found in the Appendix C Checklist.

This is to advise that the Trinity County Community Development Department- Cannabis Division has approved the above (Lead Agency or Responsible Agency)

described project on January 31, 2025 and has made the following determinations regarding the above described project. (date).

1. The project [will will not] have a significant effect on the environment.
2. An Environmental Impact Report was prepared for this project pursuant to the provisions of CEQA.
 A Negative Declaration was prepared for this project pursuant to the provisions of CEQA.
3. Mitigation measures [were were not] made a condition of the approval of the project.
4. A mitigation reporting or monitoring plan [was was not] adopted for this project.
5. A statement of Overriding Considerations [was was not] adopted for this project.
6. Findings [were were not] made pursuant to the provisions of CEQA.

This is to certify that the final EIR with comments and responses and record of project approval, or the negative Declaration, is available to the General Public at:
Trinity County Community Development Department- Cannabis Division (530 Main Street,
Weaverville CA 96093)

The County finds that the adoption of the proposed project falls within the Trinity County Cannabis Program Environmental Impact Report ("EIR")(SCH# 2018122049). Certified by the Board of Supervisors on December 21, 2020 (Resolution 2020-103). Pursuant to CEQA Guidelines (California Code of Regulations, Title 14) Section 15168, the impacts associated with the proposed project were studied, and mitigation measures concerning such impacts were developed, in the Cannabis Program EIR. No further environmental review is required because the County finds, based on substantial evidence in the Record of Proceedings, that approval of this project is a "later activity" associated with the Cannabis Program EIR, as defined by subsection (c) of Section 15168, in that (i)all impacts associated with the approval of this project are within the scope of environmental review previously studied, and (ii) the requirements and mitigations required by Chapter 17.43 and 17.43G of the Trinity County Code, adequately serve to mitigate the impacts associated with approval of this project.
