State Clearinghouse Number (if submitted to State Clearinghouse): 2018122049

Project Title: BARKER VALLEY FARMS LLC (CCL-801)

Project Applicant: Brett Sandberg

Project Location (include county): 1090 South Meadow Lane, Hayfork (Trinity), CA 96041

Project Description: The proposed cultivation project described herein (Project) includes the cultivation of up to 10,000 square feet (SF) of outdoor mature canopy located in Trinity County on Assessor's Parcel Number (APN): 017-440-018-000. The applicant currently holds a Small Outdoor Cannabis Cultivation License from the County (CCL-801) and is seeking an Adult-Use Small Outdoor Cannabis Cultivation License from the Department of Cannabis Control (DCC; CCL23-0000455, Expires on 2026-03-03) as well as a Type 13 Self-Transport, Transport Only – Distribution license with the DCC. Cultivation activities are approved to include the cultivation of approx. 9,840 sf of mature outdoor cannabis including the installation of twenty-nine (29) hoop house rows: three (3) 40-foot long by 6-ft wide; four (4) 50-ft long by 6-ft wide; and twenty-two (22) 60-ft long by 6-ft wide. Proposed cannabis support structures would include a 300-sf (15'x20') cannabis waste storage area, two (2) 2,500-gallon agricultural chemical mixing tanks, four (4) 5,000-gallon water storage tanks to be located north of the mature cultivation area, and portable toilets with a handwash station to be located west of the cultivation premises. Water would be provided through a connection to an existing permitted on-site groundwater well, and Electricity on the site is currently provided by generators less than 50hp as well as a temporary, approximately 3,200-watt generator. Electricity provided by Trinity Public Utility District (TPUD) is proposed; once TPUD power is in place, the existing generator would be removed, and all power would be provided by TPUD; the dwelling requirement and project's waste water needs are met with permitted dwelling and permitted septic on adjoining parcel

with same property owner, APN 017-440-019. A more detailed project description can be found in the Appendix C Checklist. SPECIAL NOTES: 1. Additional support facilities including operations/administration, harvest drying, processing and storage, and pesticide and chemical storage at 980 S. Meadow Lane (APN 017-440-019) cannot be approved without updated maps detailing the locations and delineated use as required.

This is to advise that the Trinity County Community Development Department- Cannabis Division has approved the above (Lead Agency or Responsible Agency)

described project on April 4, 2025 and has made the following determinations regarding the above described project. (date).

1. The project [will will not] have a significant effect on the environment.
2. An Environmental Impact Report was prepared for this project pursuant to the provisions of CEQA.
 A Negative Declaration was prepared for this project pursuant to the provisions of CEQA.
3. Mitigation measures [were were not] made a condition of the approval of the project.
4. A mitigation reporting or monitoring plan [was was not] adopted for this project.
5. A statement of Overriding Considerations [was was not] adopted for this project.
6. Findings [were were not] made pursuant to the provisions of CEQA.

This is to certify that the final EIR with comments and responses and record of project approval, or the negative Declaration, is available to the General Public at:
Trinity County Community Development Department- Cannabis Division (530 Main Street, Weaverville CA 96093)

The County finds that the adoption of the proposed project falls within the Trinity County Cannabis Program Environmental Impact Report ("EIR")(SCH# 2018122049). Certified by the Board of Supervisors on December 21, 2020 (Resolution 2020-103). Pursuant to CEQA Guidelines (California Code of Regulations, Title 14) Section 15168, the impacts associated with the proposed project were studied, and mitigation measures concerning such impacts were developed, in the Cannabis Program EIR. No further environmental review is required because the County finds, based on substantial evidence in the Record of Proceedings, that approval of this project is a "later activity" associated with the Cannabis Program EIR, as defined by subsection (c) of Section 15168, in that (i)all impacts associated with the approval of this project are within the scope of environmental review previously studied, and (ii) the requirements and mitigations required by Chapter 17.43 and 17.43G of the Trinity County Code, adequately serve to mitigate the impacts associated with approval of this project.
