Phone: _____

SUBJECT: Filing of Notice of Determination in compliance with Section 21108 or 21152 of the Public Resources Code.

State Clearinghouse Number (if submitted to State Clearinghouse): 2018122049

Project Title: Corona Project, LLC – 201927310298, Bojan Boskovic & Valentin Ivanov

Project Applicant: Bojan Boskovic & Valentin Ivanov

Project Location (include county): 421 Summit Creek Road, Hayfork (Trinity), CA 96041

Project Description: The proposed cultivation project described herein (Project) includes the cultivation of up to 10,000 square feet (SF) of mixed-light located in Trinity County on Assessor's Parcel Number (APN): 015-270-036-000. The applicant currently holds a Small Mixed-light Cannabis Cultivation License from the County (CCL-620). Cultivation activities include approx. 10,000 SF of mixed-light canopy area consisting of three (3) 30'x130' mature cultivation greenhouses, and developing a 30'x110' greenhouse for immature canopy. The project proposes to install an 8'x40' steel container for processing, packaging, administrative hold, harvest storage, pesticide and chemical storage, and cannabis waste. Water for this project will be through a permitted well, a permitted septic will serve as the project's waste water needs, the project is connected to TPUD electrical grid. A more detailed project description can be found in the Appendix C Checklist.

SPECIAL NOTE:

1. Due to a fire on the property approximately fall of 2023, the processing building was destroyed. This building will be re-built but will not be used for cannabis cultivation or support operations. All processing and storage will be performed in an 8x40 steel container located within the developed footprint of the cultivation area.
2. Item #5 of Section 2.5, Project Elements, of the Appendix C checklist calls out an immature area

inaccurately as 20'x130'. The areas true dimensions will be 30'x110'.

3. Item #6 of Section 2.5, Project Elements, of the Appendix C checklist mistakenly states that a structure burnt in the fall of 2030. The structure burnt in the fall of 2023.

This is to advise that the Trinity County Community Development Department Cannabis Division has approved the above (Lead Agency or Responsible Agency)

described project on January 5, 2024 and has made the following determinations regarding the above described project. (date).

1. The project [will will not] have a significant effect on the environment.
2. An Environmental Impact Report was prepared for this project pursuant to the provisions of CEQA.
 A Negative Declaration was prepared for this project pursuant to the provisions of CEQA.
3. Mitigation measures [were were not] made a condition of the approval of the project.
4. A mitigation reporting or monitoring plan [was was not] adopted for this project.
5. A statement of Overriding Considerations [was was not] adopted for this project.
6. Findings [were were not] made pursuant to the provisions of CEQA.

This is to certify that the final EIR with comments and responses and record of project approval, or the negative Declaration, is available to the General Public at:

Trinity County Community Development Department- Cannabis Division (530 Main Street, Weaverville CA 96093)

The County finds that the adoption of the proposed project falls within the Trinity County Cannabis Program Environmental Impact Report ("EIR")(SCH# 2018122049). Certified by the Board of Supervisors on December 21, 2020 (Resolution 2020-103). Pursuant to CEQA Guidelines (California Code of Regulations, Title 14) Section 15168, the impacts associated with the proposed project were studied, and mitigation measures concerning such impacts were developed, in the Cannabis Program EIR. No further environmental review is required because the County finds, based on substantial evidence in the Record of Proceedings, that approval of this project is a "later activity" associated with the Cannabis Program EIR, as defined by subsection (c) of Section 15168, in that (i)all impacts associated with the approval of this project are within the scope of environmental review previously studied, and (ii) the requirements and mitigations required by Chapter 17.43 and 17.43G of the Trinity County Code, adequately serve to mitigate the impacts associated with approval of this project.
