Phone: (530) 623-1353

**SUBJECT:** Filing of Notice of Determination pursuant to Public Resources Code section 21108

**State Clearinghouse Number:** 2018122049

**Project Title:** **Jamie Colombo** (Lake or Streambed Alteration Agreement No. 1600-2019-0842-R1)

**Project Location (Trinity):** The project is located on an unnamed tributary to Carr Creek in Trinity County, CA; T31N, R11W, Section 3, Mount Diablo Base and Meridian, U.S. Geological Survey (USGS) Hayfork Summit quadrangle, County Assessor's Parcel Number 017-390-33-00, 17950 Wildwood Road, Hayfork.

**Project Description:** The California Department of Fish and Wildlife (CDFW) has executed Lake and Streambed Alteration Agreement (1600-2019-0842-R1), pursuant to Fish and Game Code section 1602, to the project Applicant, **Jamie Colombo**.

The scope of activities consists of the installation of one armored crossing and the replacement of one existing culvert within an unnamed ephemeral tributary to Carr Creek. An existing unarmored crossing of an ephemeral tributary will be upgraded to an armored crossing. No vegetation removal is required for either project and installation will occur when the channel is dry. Post installation, areas of ground disturbance will receive erosion prevention treatment such as broadcast straw and wattles. Inlets will be maintained free of sediment buildup and the outlet will be monitored for signs of erosional scour. This is to advise that CDFW, acting as a Responsible Agency, approved the project described above on December 2, 2022 and has made the following determinations regarding the project pursuant to California Code of Regulations section 15096, subdivision (i):

1. The project **will not** have a significant effect on the environment. This determination is limited to effects within CDFW's permitting jurisdiction as a Responsible Agency.
2. CDFW considered the environmental impact report prepared by the Lead Agency for this project pursuant to California Code of Regulations section 15096, subdivision (f).
3. Mitigation measures **were** made a condition of CDFW's approval of the project.
4. A Mitigation Reporting or Monitoring Plan **was** adopted by CDFW for this project.
5. A Statement of Overriding Considerations **was not** adopted by CDFW for this project.
6. Findings **were not** made by CDFW pursuant to California Code of Regulations section 15091.

The Final EIR prepared for the project is available to the general public at the office location listed above for the Lead Agency. CDFW's record of project approval as a Responsible Agency is available at CDFW's regional office.
