Project Title: Leshar Subdivision 9404 (Project of the East Cypress Corridor Specific Plan)

Project Applicant: ACD-TI Oakley, LLC
A Delaware Limited Liability Company
11611 San Vincente Boulevard, Suite 610
Los Angeles, CA 91149
Attn: John Baayoun, (310) 594-5334

Project Location: The proposed project would develop approximately 350.5-acres of a portion of Planning Area 1 of the East Cypress Corridor Specific Plan. The project site is generally located north of East Cypress Road, west of Bethel Island Road, east of Jersey Island Road and south of Dutch Slough.

Project Description: The applicant submitted an application to amend Vesting Tentative Map 9404 for the development of the Leshar Property portion of Planning Area 1 in a manner consistent with the East Cypress Corridor Specific Plan. The Amendment proposes to add 227 residential units to the 1,056 residential units that are approved for the Leshar Property for a total of 1,283 residential units. A review of the Map Amendment Application by the City confirms that the tentative map generally mirrors the Specific Plan's conceptual land use exhibit for the Leshar Property with regard to the proposed uses, internal roadways, parks, lake and other infrastructure. The project proposes 1,283 dwelling units in a variety of housing types and includes the same land uses on approximately the same acreage as the Specific Plan's conceptual land use plan for the Leshar Property portion of Planning Area 1. The City Council adopted an Addendum to the certified East Cypress Corridor Specific Plan Environmental Impact Report and approved Vesting Tentative Map 9404 on November 10, 2020.
