**Project Description:** *(please use a separate page if necessary)*

The proposed project consists of a review and update of the County General Plan's Background Report and Policy Document, and a comprehensive update of the Zoning Ordinance. The revised General Plan is intended to build on the major policies of the current 2000 General Plan but expand and strengthen them to meet the challenges and community needs through planning horizon year 2040. The Zoning Ordinance would be updated for consistency with the General Plan.

Note: The State Clearinghouse will assign identification numbers for all new projects. If a SCH number already exists for a project (e.g. Notice of Preparation or previous draft document) please fill in.
