**SUBJECT: *Filing of Notice of Determination pursuant to Public Resources Code section 21108***

**State Clearinghouse Number:** 2004102068

**Project Title:** Wyland Drive Bridge Crossing (Streambed Alteration Agreement No. 1600-2020-0099-R2)

**Project Location (include county):** The project is located at Elk Grove Creek near the intersection of Wyland Drive and Sauterne Way in the City of Elk Grove, in the County of Sacramento, State of California; Latitude 38.39684, Longitude -121.3441, Section 5, Township 6N, Range 6E, U.S. Geological Survey (USGS) map Elk Grove; Assessor's Parcel Number 134-0110-173, 134-0110-166, and 134-0110-181.

**Project Description:** The California Department of Fish and Wildlife (CDFW) has executed Lake and Streambed Alteration Agreement No. 1600-2020-0099-R2, pursuant to Section 1602 of the Fish and Game Code to the project Applicant, Taylor Morrison, as represented by Jay Pawlek.

The project is limited to the construction of a concrete box culvert to extend Wyland Drive and cross Elk Grove Creek between the two residential subdivisions. The structure includes installation of five (5) 4.5-foot by 10-foot box culverts side-by-side. The culvert will be approximately 50 feet wide and will contain 12-inch storm drainpipes within the structure. Approximately 145 cubic yards of rip rap will be installed, extending 15-feet away from the headwall. Additional anticipated material includes 179 cubic yards of concrete for the base of the culvert, 787 cubic yards of clean soil for the roadbed, and 119 cubic yards of asphalt and roadway.

This is to advise that CDFW, acting as a Responsible Agency, approved the above-described project on 5/19/2021 and has made the following determinations regarding the project pursuant to California Code of Regulations section 15096, subdivision (i):

1. The project will not have a significant effect on the environment. This determination is limited to effects within CDFW's permitting jurisdiction as a Responsible Agency.
2. CDFW considered the  mitigated negative declaration /  negative declaration prepared by the Lead Agency for this project pursuant to California Code of Regulations section 15096, subdivision (f).
3. Mitigation measures  were /  were not made a condition of CDFW's approval of the project.
4. A mitigation reporting or monitoring plan  was /  was not adopted by CDFW for this project.
5. A statement of overriding considerations was not adopted by CDFW for this project.
6. Findings were not made by CDFW pursuant to California Code of Regulations section 15091.

The  mitigated negative declaration /  negative declaration prepared for the project is available to the general public at the office location listed above for the Lead Agency. CDFW's record of project approval as Responsible Agency is available at CDFW's regional office.
