**SUBJECT:** Filing of Notice of Determination in compliance with Section 21108 or 21152 of the Public Resources Code

**STATE CLEARINGHOUSE NUMBER:** SCH# 2017062058

**PROJECT TITLE:** **Climate Action Plan Update and Implementation**

**APPLICANT:** City of Elk Grove  
8401 Laguna Palms Way  
Elk Grove, CA 95758  
(946) 683-7111

**PROJECT LOCATION:** Elk Grove California, Sacramento County

**ASSESSOR'S PARCEL NUMBER(S):** Citywide

**PROJECT DESCRIPTION:** The City has prepared an update to the Climate Action Plan (CAP) and amended local ordinances to implement the update. The update provides consistency with the 2022 California Green Building Code with respect to electric vehicle charging infrastructure. The updates ensure the CAP and our local municipal code are consistent with the updated California Building Standards Code.

**PROJECT BACKGROUND:** As part of the development and adoption of the 2019 General Plan the City prepared and certified the General Plan Update Environmental Impact Report (EIR) (SCH No. 2017062058). That document provides a programmatic review of the potential impacts associated with implementation of the overall General Plan. The EIR is comprised of a Draft EIR (Draft EIR) and Final EIR (Final EIR). The Final EIR was released for public review on January 4, 2019 and certified by the City Council on February 27, 2019.

This is to advise that on December 14, 2022, the City of Elk Grove City Council has approved the above-described Project and it does not alter the assumptions or analysis documented in the CEQA analysis to date. The proposed CAP update and implementation is consistent with the analysis presented in the General Plan Update EIR and, pursuant to State CEQA Guidelines Section 15162 (Subsequent EIRs and Negative Declarations), no subsequent analysis is required. The CAP changes support the potential for greater greenhouse gas emissions reductions due to the more extensive electric vehicle infrastructure requirements for development.

Therefore, there are no substantial changes in the Project, there are no substantial changes with respect to the circumstances under which the Project is undertaken, and there is no new information of substantial importance, which was not known and could not have been known at the time of certification of the EIR, and no further environmental review is required.

- The project will not have a significant effect on the environment.
- A mitigation monitoring or reporting plan was not adopted for this project.
- A statement of Overriding Considerations was not adopted for this project.
- Findings were made pursuant to the provisions of the California Environmental Quality Act (CEQA).

This is to certify that the Environmental Impact Report is available to the General Public at: City of Elk Grove, 8401 Laguna Palms Way, Elk Grove, CA 95758

The General Plan includes the following State-required elements or topics: Land Use, Circulation, Housing, Conservation, Open Space, Noise, Safety, and Environmental Justice. The updated Elk Grove General Plan is divided into 10 chapters, which together address the topics mandated by the State, as well as additional topics of interest to the City.
