Lead Agency Project Title: Bolsa Chica Lowlands Restoration Project EIR

CalGEM Project Title: 594994_Group_CRPC_PA

Project Applicant: California Resources Production Corporation (CRPC)

Project Location: Huntington Beach. Five wells located outside Huntington Beach City limits in unincorporated Orange County.

County: Orange County

Project Description: The permitted activity is the abandonment of 5 existing wells to current California Geologic Energy Management Division (CalGEM) standards.

The approved original project, disclosed in the certified environmental document, the Bolsa Chica Lowlands Restoration Project, consists of the restoration of wetlands and aquatic functions and assessment of contamination at the Bolsa Chica Wetlands and Bolsa Gap.

The document analyzes the total removal of oil extraction activities and discusses the proposed activity of plugging and abandoning oil wells. (ES-3) Removal of oil wells is not part of the restoration but was included in the environmental document because oil well removal would occur during the same time period as the project construction.

Pursuant to the provisions of the California Environmental Quality Act (CEQA), an Environmental Impact Report (EIR) was prepared and certified by the Lead Agency, the California State Lands

Commission, for the Bolsa Chica Lowlands Restoration Project and SCH #2000071068. The EIR was certified on 1/31/2002.

The activity(s) being permitted by CalGEM is within the scope of Bolsa Chica Lowlands Restoration Project EIR.

CalGEM, as the CEQA Responsible Agency, approved permit(s) for CRPC to abandon the wells listed below.

WellSTAR Form ID #	Well Name	LAT	LONG
594994	North Bolsa 22	33.693207	-118.023300
590075	North Bolsa 31-C	33.691936	-118.024986
595798	North Bolsa 21-P	33.691834	-118.023285
595639	North Bolsa 61-P	33.695904	-118.030495
596107	North Bolsa 31-M	33.692097	-118.025017

CalGEM, as the Responsible Agency under CEQA, conducts an environmental review limited to those project impacts, which are required to be carried out or approved by CalGEM, or which will be subject to the exercise of powers by CalGEM. (Pub. Resources Code, § 21002.1; Cal. Code Regs., tit. 14, § 15096). This review includes considering the Lead Agency's environmental document(s) and determining whether the permitted activity falls within the scope of the document and whether and how to approve the project involved.

CalGEM completed its review of the permitted activity and determined that CalGEM will rely on the Lead Agency's environmental document(s), as it pertains to the permitted activity.

This Notice of Determination (NOD) is to advise that CalGEM, as the **Responsible Agency** under CEQA, approved the above permitted activity on 10/1/2024.

1. **Environmental Impacts** from the project will
 - Have a significant effect on the environment
 - Not have a significant effect on the environment
2. **Environmental Document** prepared for this project, pursuant to the provisions of CEQA:
 - Environmental Impact Report (EIR)
 - Mitigated Negative Declaration (MND)
 - Negative Declaration (ND)
3. **Mitigation Measures** were
 - Made a condition of approval of the project
 - Not made a condition of approval of the project
4. **Mitigation Monitoring and Reporting Plan (MMRP)** was
 - Adopted for this project
 - Not adopted for this project
5. **Statement of Overriding Considerations** was
 - Adopted for this project
 - Not adopted for this project
