Project Title: Southport Sacramento River Early Implementation Project

Project Applicant: West Sacramento Area Flood Control Agency

Project Location (include county): East of Jefferson Blvd. along the west bank of the Sacramento River, Yolo

Project Description:

Approval of Permit No. 18313-4, under California Code of Regulations, Title 23, Section 6, for work within an adopted plan of flood control, within a Regulated Stream (Table 8.1; Title 23, Div. 1, Article 8): To vegetate 120 acres of area that was created to mitigate project impacts of the West Sacramento levee improvement projects. The 120 acres will be frequently inundated by the Sacramento River through three breaches in the remnant levee.

This is to advise that the Central Valley Flood Protection Board has approved the above (Lead Agency or Responsible Agency)

described project on July 26, 2019 and has made the following determinations regarding the above described project.

- 1. The project will not have a significant effect on the environment.
2. An Environmental Impact Report was prepared for this project pursuant to the provisions of CEQA.
3. Mitigation measures were made a condition of the approval of the project.
4. A mitigation reporting or monitoring plan was adopted for this project.
5. A statement of Overriding Considerations was adopted for this project.
6. Findings were made pursuant to the provisions of CEQA.

This is to certify that the final EIR with comments and responses and record of project approval, or the negative Declaration, is available to the General Public at:
