Present Land Use/Zoning/General Plan Designation:

Citywide General Plan Update

Project Description: *(please use a separate page if necessary)*

The Gilroy 2040 General Plan will update the previously adopted Gilroy 2020 General Plan and be used by the Gilroy City Council, Planning Commission, and City staff on a daily basis to make decisions with direct or indirect land use implications. It provides a framework for inter-jurisdictional coordination of planning efforts among officials and staff of the City and other government agencies (e.g., Federal, State, and local). Gilroy residents, property owners, and businesses also use the 2040 General Plan for City guidance for particular geographic areas or for particular subjects of interest to them. The 2040 General Plan will provide the basis for a variety of City regulatory measures and administrative procedures.

Note: The State Clearinghouse will assign identification numbers for all new projects. If a SCH number already exists for a project (e.g. Notice of Preparation or previous draft document) please fill in.
