Project Title: Central Utility Plant (CUP)_Expansion - Chiller Addition

Project Applicant: University of California, San Diego

Project Location (include county): La Jolla, San Diego County, Interstate 5 and La Jolla Village Drive

Project Description:

The project proposes to expand the existing CUP with the construction of new, upgraded CUP facilities that would provide approximately 6,000 additional tons of chilled water cooling capacity to the La Jolla Campus. The proposed project would include a building to house two 3,000-ton chillers and associated pumps, controls, and accessories; all electrical distribution equipment; and a telecommunications room and an outdoor utility yard to include two cooling towers. A concrete pad for a future Thermal Energy Storage (TES) tank would also be included.

This is to advise that the University of California, San Diego has approved the above
 Lead Agency or Responsible Agency)

described project on January 25, 2021 and has made the following determinations regarding the above
 (date)
 described project.
