Project Title: Multidisciplinary Life Sciences Building

Project Applicant: University of California San Diego

Parties Undertaking Project: University of California, San Diego

Project Location: Health Sciences West area of UC San Diego campus, south of Biomedical Sciences
 Way and west of Pharmacy Lane

County: San Diego

Project Description: The proposed Multidisciplinary Life Sciences Building project on the San Diego campus would provide approximately 108,000 assignable square feet of academic research space (202,000 gross square feet) to support UC San Diego Health Sciences and the School of Biological Sciences. The building would provide new space for biomedical and biological sciences research programs, including undergraduate instructional laboratory and support space, wet research laboratory and support space, dry research laboratory and support space, and faculty offices and administrative support space. Shared spaces would include vivarium, conference, and building services.

This Notice of Determination is to advise that the University of California Lead Agency has approved the above-described project on *July 18, 2024* and has made the following determinations:

1. The Project would not cause any new significant environmental impacts nor an increase in the severity of significant impacts previously studied in the UC San Diego 2018 Long Range Development Plan (2018 LRDP) Environmental Impact Report (EIR).
2. Addendum #14 (Multidisciplinary Life Sciences Building project) to the 2018 LRDP EIR was prepared for this project pursuant to the provisions of CEQA.
3. Relevant mitigation measures from the 2018 LRDP EIR were made a condition of the approval of the project; no new project-specific mitigation measures are required.
4. The implementation of applicable 2018 LRDP EIR mitigation measures will be monitored and reported pursuant to the 2018 LRDP EIR's Mitigation Monitoring and Reporting Program.
5. A Statement of Overriding Consideration was not adopted for this project.
5. Findings were made pursuant to the provisions of CEQA.

This is to certify that the Final Environmental Impact Report and Addendum# 14 and record of project approval is available to the general public at: the University of California, San Diego, Campus Planning Office, 10280 North Torrey Pines Road, Suite 460, La Jolla, California 92037 and <https://plandesignbuild.ucsd.edu/planning/environmental.html#Environmental-Impact-Reports>.
