Project Title: UC Davis Solano Park Demolition Project

Project Applicant: University of California, Davis

Parties Undertaking Project: University of California, Davis

Project Location: UC Davis central campus, Old Davis Road and Arboretum Drive

County: Yolo

Project Description: UC Davis proposes to demolish the Solano Park student housing development, including site preparation and hazardous materials remediation; demolition and removal of existing structures; relocation of water pipelines; electrical conduit to maintain streetlights and security lighting; and final site stabilization and management. A Subsequent Environmental Impact Report (EIR tiered from the 2018 Long Range Development Plan (LRDP) Program EIR (2018 LRDP EIR) (State Clearinghouse No. 2017012008) for the UC Davis Solano Park Demolition Project has been prepared. The EIR evaluates the potential environmental impacts for the demolition project.

This Notice of Determination is to advise that the University of California Davis Lead Agency has approved the above-described project on *October 23, 2023* and has made the following determinations:

1. The project will have a significant effect on the environment.
2. An Environmental Impact Report was prepared for this project pursuant to the provisions of CEQA.
3. Mitigation measures were made a condition of the approval of the project.
4. A mitigation reporting or monitoring plan was adopted for this project.
5. A statement of Overriding Considerations was adopted for this project.
6. Findings were made pursuant to the provisions of CEQA.

This is to certify that the final Environmental Impact Report with comments and responses and record of project approval is available at: <https://environmentalplanning.ucdavis.edu/solano-park-demolition> and UC Davis Office of Campus Planning and Environmental Stewardship, 436 Mrak Hall, University of California, Davis, CA 95616.
