Project Title: Oakland Ballers Baseball Club License Agreement
Project Location: University of California, Davis
Project Location: UC Davis core campus, La Rue Road
County: Yolo

Project Description: UC Davis proposes a license agreement with the Oakland Ballers Baseball Club for use of the Dobbins Baseball Stadium (Stadium) for professional minor league baseball games. The license agreement would grant use of the Stadium by the Oakland Ballers Baseball Club for approximately 52 games per year and additional practice sessions from May through September of each year, starting May 2024. The agreement will be in place until September 2028, with an option for an additional 5 years. The agreement stipulates that UC Davis provide physical improvements to the Stadium to allow for night games, which include new field lighting and a new video scoreboard. The capital improvements to the Stadium are proposed to be approved separately and were analyzed in the March 2024 Addendum.

This Notice of Determination is to advise that the University of California Lead Agency has approved the above-described project on May 13th, 2024 and has made the following determinations:

1. UC Davis 2018 LRDP EIR sufficiently analyzes and addresses potential environmental impacts from the project, and the project will not trigger any of the criteria requiring additional CEQA review pursuant to CEQA Guidelines Section 15162. The project will not result in new significant impacts or a substantial increase in the severity of the environmental impacts identified in the UC Davis 2018 LRDP EIR.
2. *Addendum March 2024* to the UC Davis 2018 Long Range Development Plan (LRDP) EIR (SCH# 2017012008) was prepared for this project pursuant to the provisions of CEQA.
3. Mitigation measures from the UC Davis 2018 LRDP EIR were made a condition of the approval of the project; no new project-specific mitigation measures are required.
4. The implementation of applicable 2018 LRDP Final EIR mitigation measures will be monitored and reported pursuant to the 2018 LRDP Final EIR’s MMRP.
5. The previous statement of overriding considerations in the 2018 LRDP Final EIR was reaffirmed for this project.
6. Findings were made pursuant to the provisions of CEQA.

This is to certify that the *Addendum March 2024* to the UC Davis 2018 LRDP EIR with comments and responses and record of project approval is available to the general public online at <https://environmentalplanning.ucdavis.edu/current-projects> and at: UC Davis Design and Construction Management, 255 Cousteau Place, University of California, Davis, CA 95618, Attn: Heather Davis.
