Project Title: Campus Demolition Program – Haring Hall Quad Group 4

Project Applicant: University of California, Davis

Project Location: UC Davis, Central Campus

County: Yolo

Project Description: The Project proposes the demolition of seven aging and deteriorating buildings in the central campus, located in the Haring Hall courtyard (Group 4). The structures would be demolished and removed, and the sites would be stabilized. Group 4 includes demolition of 20,325 sf of building space. All structures in Group 4 are currently vacant and not in use. There are no immediate plans for redevelopment of this area. The Haring Hall courtyard may be used as a staging area for other campus projects. Upon completion of demolition and debris removal, the site would be finish graded to ensure positive drainage and proper slope to drains. Finish grade would be flush with adjacent grades, and mulch would be applied to the sites.

This Notice of Determination is to advise that the University of California Lead Agency has approved the above-described project on *October 23th, 2024* and has made the following determinations:

1. UC Davis 2018 LRDP EIR sufficiently analyzes and addresses potential environmental impacts from the project, and the project will not trigger any of the criteria requiring additional CEQA review pursuant to CEQA Guidelines Section 15162. The project will not result in new significant impacts or a substantial increase in the severity of the environmental impacts identified in the UC Davis 2018 LRDP EIR.
2. *Addendum October 2024* to the UC Davis 2018 Long Range Development Plan (LRDP) Environmental Impact Report was prepared for this project pursuant to the provisions of CEQA.
3. Mitigation measures from the 2018 LRDP EIR were made a condition of the approval of the project; no new project-specific mitigation measures are required.
4. The implementation of applicable UC Davis 2018 LRDP Final EIR mitigation measures will be monitored and reported pursuant to the 2018 LRDP Final EIR’s MMRP.
5. The previous statement of overriding considerations in the UC Davis 2018 LRDP Final EIR was reaffirmed for this project.
6. Findings were made pursuant to the provisions of CEQA.

This is to certify that the *Addendum October 2024* to the UC Davis 2018 LRDP EIR with comments and responses and record of project approval is available to the general public online at <https://environmentalplanning.ucdavis.edu/current-projects> and at: UC Davis Office of Campus Planning and Environmental Stewardship, 255 Cousteau Place, Davis, CA 95618, Attn: Heather Davis.
