SUBJECT: Filing of Notice of Determination pursuant to Public Resources Code section 21108

State Clearinghouse Number: 2008092051

Project Title: Folsom Plan Area Specific Plan (FPASP) – Regency Phase 2 and 3 (Streambed Alteration Agreement No. 1600-2012-0198-0018-R2)

Project Location: The project is located south of Highway 50, north of White Rock Road, east of Prairie City Road, and west of the El Dorado County line, in Sacramento County, California.

Project Description: The California Department of Fish and Wildlife (CDFW) has amended Streambed Alteration Agreement No. 1600-2012-0198-0018-R2, pursuant to Section 1602 of the Fish and Game Code to the project Permittee, Folsom South Area Group as represented by Steve Smith.

The Regency Phase 2 and 3 Project is located within the FPASP area and consists of a mixed-use development of 155.66 acres. The authorized activities under this sub-notification are mass grading, construction of a detention basin, and a temporary crossing. The amendment to the Agreement includes a revised Project Description that contains an update to the mass grading project area as described in the original Subnotification. This includes temporary impacts for an electrical utility line north of the Regency 2 and 3 Project boundary, a Utility Trench Restoration Plan, and a new impact map specific to the project activities associated with the utility trench.

This is to advise that CDFW, acting as a Responsible Agency, executed an amendment to the above Streambed Alteration Agreement on the date signed below and has made the following determinations regarding the project pursuant to California Code of Regulations section 15096, subdivision (i):

1. The project will not have a significant effect on the environment. This determination is limited to effects within the CDFW's permitting jurisdiction as a Responsible Agency.
2. CDFW considered the environmental impact report prepared by the Lead Agency for this project pursuant to California Code of Regulations section 15096, subdivision (f).
3. Mitigation measures were / were not made a condition of CDFW's approval of the project.
4. A mitigation reporting or monitoring plan was / was not adopted by CDFW for this project.
5. A statement of overriding considerations was / was not adopted by CDFW for this project.
6. Findings were / were not made by CDFW pursuant to California Code of Regulations section 15091.

Notice of Determination

The final environmental impact report prepared for the project is available to the general public at the office location listed above for the Lead Agency. CDFW's record of execution of the amendment to the Streambed Alteration Agreement as Responsible Agency is available at CDFW's regional office.
