Project was considered under the
Downtown Specific Plan Program EIR (SCH # 2018052020)
Development Agreement

- The project is consistent with the development density established by the Sunnyvale Downtown Specific Plan (DSP). There are no project specific significant effects that are peculiar to the project or its site or which cannot be substantially mitigated through uniformly applied development standards or policies. There are no environmental effects that were not analyzed as significant effects in the DSP EIR, no potentially significant off-site impacts or cumulative impacts that were not discussed in the DSP EIR, and no previously identified significant effects that will have a more severe adverse impact than discussed in the DSP EIR.
- The project is exempt from additional CEQA review per CEQA Guidelines section 15162 and 15168 and Public Resources Code Section 21083.3.
- The DSP Program EIR was approved and NOD was filed as shown in Attachment 1.
- As per Fish and Wildlife and California Code sections:
Only **one filing is required** for each project, even if **multiple notices of determination are filed for a project**, unless the project is tiered or phased or separate environmental documents are required [(Fish and Wildlife 711.4 (g); 14 California Code of Regulations 753.5 (e)(3)]. The fee must be paid with the **first notice of determination that is filed; the applicant must attach copies of the receipt** to any additional notices of determination required for the project [(14 California Code of Regulations 753.5 (e)(4)]. The County Clerks and Office of Planning and Research are required to maintain records of all environmental documents received, and remit the filing fees monthly to the Department of Fish and Wildlife [(Fish and Wildlife 7411.4 (e)(1)].
