SUBJECT: Filing of Notice of Determination pursuant to Public Resources Code section 21108

State Clearinghouse Number: 2012031009

Project Title: Mitsubishi Cement Corporation South Quarry Project (Lake or Streambed Alteration Agreement No. 1600-2017-0001-R6)

Project Location (include county): The project is located at unnamed washes within San Bernardino National Forest in the County of San Bernardino, State of California; Latitude 34.34° Longitude -116.86° or Sections 14, 15, 22, and 23, Township 3N, Range 1E, U.S. Geological Survey (USGS) map Big Bear City, San Bernardino meridian; portion of Assessors Parcel Numbers 044709103, 044704102, 044703111, 044710102.

Project Description: The California Department of Fish and Wildlife (CDFW) has executed Lake and Streambed Alteration Agreement number 1600-2017-0001-R6, pursuant to section 1602 of the Fish and Game Code to the project Applicant, Mitsubishi Cement Corporation.

The project is limited to development and reclamation of a new high-grade limestone quarry. The entire South Quarry project would total approximately 153.6 acres consisting of a 128-acre quarry, 2.7-acre landscape berm, 22.2-acre haul road totaling 1.8 miles in length, and a construction road of 0.7 acres. The project will impact 0.74 acres subject to Fish and Game Code section 1602 and convey at least 2.22 acres of habitat on private land to the United States forest Service.

This is to advise that CDFW, acting as a Responsible Agency, approved the above described project on 11/3/2020 and has made the following determinations regarding the project pursuant to California Code of Regulations section 15096, subdivision (i):

1. The project will / will not have a significant effect on the environment. This determination is limited to effects within CDFW's permitting jurisdiction as a Responsible Agency.
2. CDFW considered the environmental impact report prepared by the Lead Agency for this project pursuant to California Code of Regulations section 15096, subdivision (f).
3. Mitigation measures were / were not made a condition of CDFW's approval of the project.
4. A mitigation reporting or monitoring plan was / was not adopted by CDFW for this project.
5. A statement of overriding considerations was / was not adopted by CDFW for this project.
6. Findings were / were not made by CDFW pursuant to California Code of Regulations section 15091.

The final environmental impact report prepared for the project is available to the general public at the office location listed above for the Lead Agency. CDFW's record of project approval as Responsible Agency is available at CDFW's regional office.
