

January 2, 2018

To our valued business partners,

The Santa Clarita Valley Water Agency (SCV Water) was formed on January 1, 2018, by an act of the California State Legislature (SB634), and is a merger of the Castaic Lake Water Agency (Castaic) and the Newhall County Water District (Newhall). The merger also includes the Santa Clarita Water Division (Santa Clarita), currently a division of Castaic. Additionally, Valencia Water Company (Valencia) will be dissolved and all operations, assets and liabilities of the Company will be transferred to the new SCV Water. The dissolution of Valencia is anticipated to occur by February 1, 2018.

What does this mean to our vendors, contractors and consultants?

As a vendor, contractor or consultant, your existing arrangements with any of the former water agencies will remain unchanged. Whether you provide goods or services to Castaic, Newhall, Santa Clarita or Valencia, all contracts and purchase orders in place at the time of the merger will remain in place according to the same terms.

The physical locations, mailing addresses and phone numbers for each entity will remain unchanged for the near future. You should continue to send your invoices to the same address you are currently using. The phone numbers and addresses for each division are provided in this letter for your convenience. You will receive payment on invoices as shown below.

If your invoice was sent to:

Valencia Water Company

Payment will be made by:

Please feel free to contact the appropriate division of the new SCV Water with any questions.

Sincerely,
