Project Title: Creekside Terrace Slope Protection Project

Project Applicant: University of California, Riverside (UCR)

Project Location (include county): North of Central Ave and east of Chicago Ave, Riverside (Riverside County)

Project Description:

The proposed Project involves stabilization of the north bank of an existing drainage channel adjacent to the University-owned Creekside Terrace residential development (Tract 31671). Specifically, the channel would be reshaped and rip-rap would be placed on the north bank to match existing conditions on the south bank. The proposed improvements would require the removal of all vegetation on the north bank as well as the channel bottom. Proposed ongoing activity would maintain a vegetation-free condition on the north bank to ensure channel flow
