Dear Mr. Morgan:

I am writing to inform you of the availability of the proposed Report of the Chief of Engineers and the report of the District Commander regarding the Westminster, East Garden Grove, California Flood Risk Management Project. The reports may be downloaded from the following website:

<https://www.lrc.usace.army.mil/Missions/Civil-Works-Projects/Westminster-East-Garden-Grove/>

In accordance with Executive Order 12372, Intergovernmental Review of Federal Programs, and as the single point of contact per the State process instituted by California, we request your comments and recommendations on the proposed Report of the Chief of Engineers. The written views and recommendations of the State of California may be submitted to the Chief of Engineers within thirty days from the date of this letter. Comments of the State of California will be considered in determining whether the proposed Report of the Chief of Engineers should be modified prior to its transmittal to the Secretary of the Army and the Congress. The Secretary of the Army shall transmit to the Congress, with such comments and recommendations as deemed appropriate, the proposed Report of the Chief of Engineers together with the submitted views and recommendations of the State of California. The Secretary of the Army may prepare and make the transmittal any time following the thirty day period.

Please send your reply via email at [westminster-chiefs-report@usace.army.mil](mailto:westminster-chiefs-report@usace.army.mil) or to the following address:
