State Clearinghouse Number (if submitted to State Clearinghouse): 2017082018  
Project Title: 2023 – 2031 Burlingame Housing Element Update  
Project Applicant: City of Burlingame  
Project Location (include county): City of Burlingame, San Mateo County  
Project Description:

The proposed Housing Element Update (HEU) would amend the City of Burlingame's 2040 General Plan by updating the current Housing Element with the proposed 2023-2031 Housing Element and amending the 2040 General Plan and Burlingame Municipal Code as needed for consistency and HEU implementation. The proposed HEU would bring the element into compliance with State legislation passed since adoption of the 2015-2023 Housing Element and with the current Regional Housing Needs Allocation (RHNA). The City has identified 31 sites that could provide housing to meet the City's RHNA and buffer.

This is to advise that the City of Burlingame has approved the above  
(  Lead Agency or  Responsible Agency )  
described project on December 18, 2023 and has made the following determinations regarding the above described project.

The Addendum found that the proposed project would not result in a new or substantial increase in the severity of impacts beyond those analyzed and addressed in the previously adopted Final Environmental Impact Report for the approved General Plan project. Mitigation measures and the MMRP prepared for the adopted Final Environmental Impact Report will be applicable to the proposed project.

This is to certify that the Addendum and the previously adopted Environmental Impact Report with comments and responses is available to the General Public at:

City of Burlingame, 501 Primrose Road, Burlingame, California 94010
