**SUBJECT: Filing of Notice of Determination pursuant to Public Resources Code § 21108**

**State Clearinghouse Number:** 2010072004

**Project Title:** Lower Colgan Creek Restoration Phase 2 (Lake or Streambed Alteration Agreement No. 1600-2016-0266-R3)

**Project Location:** The project is located at Colgan Creek in the City of Santa Rosa, County of Sonoma, State of California between Victoria Drive and Boron Avenue. It is specifically located from approximately 100 feet south of Victoria Drive at 38.411429, -122.722478 to approximately 200 feet north of Boron Avenue at 38.406575, -122.725576 on Assessor Parcel Numbers 043-135-002, 043-200-005, 043-200-009, and 043-200-007. The nearest cross streets are Boron Avenue and Monument Drive.

**Project Description:** The project is limited to the restoration of approximately 2,000 linear feet of the channelized Colgan Creek to a wider, naturally meandering channel and a wider riparian corridor. The project specifically will: expand the channel width; restore a meandering low-flow channel; create pool habitat with log structures; construct riffles; remove native and non-native vegetation including up to 151 mature trees; install native vegetation within the channel and along the creek banks; install bioengineered bank stabilization features to support the channel configuration; replace up to six storm-drain pipe outfalls and associated protective riprap; and pave the existing gravel path on the western creek bank.

This is to advise that CDFW, acting as a Responsible Agency, approved the above described project on September 22, 2020, and has made the following determinations regarding the project pursuant to California Code of Regulations section 15096, subdivision (i):

1. The project will not have a significant effect on the environment. This determination is limited to effects within CDFW's permitting jurisdiction as a Responsible Agency.
2. CDFW considered the  mitigated negative declaration /  negative declaration prepared by the Lead Agency for this project pursuant to California Code of Regulations section 15096, subdivision (f).
3. Mitigation measures  were /  were not made a condition of CDFW's approval of the project.
4. A mitigation reporting or monitoring plan  was /  was not adopted by CDFW for this project.
5. A statement of overriding considerations was not adopted by CDFW for this project.
6. Findings were not made by CDFW pursuant to California Code of Regulations section 15091.

The  mitigated negative declaration /  negative declaration prepared for the project is available to the general public at the office location listed above for the Lead Agency. CDFW's record of project approval as Responsible Agency is available at CDFW's regional office.
