Subject: SCH Number 2011092059, SCPL Improvement Project Phase 3 CEQA Supplement

Dear State Clearinghouse Staff:

The purpose of this correspondence is to request that the State Clearinghouse add the 2011 SCPL Improvement Project CEQA IS/MND (2011 CEQA IS/MND) to the above referenced SCH No. 2011092059. I had assumed that the 2011 CEQA IS/MND was already part of the above file since this document was submitted to the State Clearinghouse in September 2011.

The Contra Costa Water District has prepared a 2022 CEQA MND Supplement to the 2011 CEQA IS/MND document that is under public review. The 2011 CEQA IS/MND is part of the official record, and it could be of use to reviewers of the 2022 document. Your assistance on this matter is appreciated. I may be contacted at mseedall@ccwater.com or via my mobile phone at 510 388 5282.

Sincerely,

A handwritten signature in blue ink that reads "Mark Seedall".
